Aunt Sophrony's Column

Dear Aunt Sophrony:
I am in deep sorrow. D. W. has been asking me to the dances Friday nites for quite some time but the last two Fridays he has failed to ask me. I'm sure he went with someone else. What can I do to win him back?
I. J.

Dear Jla:
You must wear more makeup. I think a brighter shade of rouge and lipstick would be better. D. W. never cared for pale girls.

Dear Aunt Sophrony:
I have been going with A. M. for some time! I like him a lot and I'm sure he likes me. But here's what's worrying me. Last night he called me a BVD girl. What did he mean by that H. R.

Dear H. R.:
Don't be worried my dear. BVD simply means Born Very Dumb.

Dear Aunt Sophrony:
I have a great desire to become a singer with acting as a sideline. They tell me every one has a sideline these days. Do you think I could make a go of it?
G. S.

Dear Glen:
I am not accustomed to telling the future of people but I shall make a try at it this time. No, I don't expect pinon not quite yet at stage work. Your school girl complexion and voice would stop you there. You better start thinking about the future for you and I. W.
A. S.

Dear Aunt Sophrony:
Last night while parked out in the moonlight with A. B. I was thinking how beautiful her profile was when suddenly she said, "You're a very sweet boy, but you'd be so much nicer if you got that lead off your shoulders." (What did she mean by that?
C. G.

Dear C. G.:
The young lady simply said in a nice way "Why not try washing your neck".

Lincoln Memorial Park

A beautiful mausoleum and crematorium. Also a chapel exquisitely furnished where services are held. All crypts are above ground and are beautifully arranged. Located in Portland, under the prominent management of S. C. Morris. Telephone Sunset 1117.

Lincoln Memorial Park — offers a beautiful spot close to the city where nature lends a pleasant touch to sad occasions, when man in the transition goes to the great beyond. An institution that is well conducted and kept in the very best of condition.

With the age of auto funerals and rapid transit the large and well cared for cemetery has taken its place in our civilization.

During the past decade the private burying ground and small unkept cemetery have fallen into desuetude and are gradually passing away. This cemetery has be-

come a center for the families all over this part of the state.

This well known place is of good proportion and the founders have provided for the coming generations so that families could secure ample accommodations for many years to come. It is located in a beautiful spot of picturesque country where nature has been extremely kind and lavish in her distribution of natural beauty. Aside from this the management has the grounds perfectly landscaped and every accommodation for perpetual care is offered the people.

In this cemetery will be found the burial place of many of the leading families of this section of the nation. A stroll through this earthly paradise will remind you of the deeds of the sturdy ancestors that founded our community. This section of this territory can

always be proud of the fact that due attention has been given to the memories of the passing years. The present generation is not to be surpassed by the men of yesterday and we provide more and more for the future.

Families are securing lots as well as providing for bonded perpetual care so the dead will be remembered through the coming years.

It is incumbent upon every family to secure a suitable lot.

The management of this company will be pleased to furnish everyone with a lot that is suitable and these are offered at prices that are very reasonable.

In this review we are glad to call the attention of the people to the beautiful Lincoln Memorial Park and to compliment the management on its excellent appearance at all times of the year.
