Roberts, and Mrs. G. A. Gilmore of Portland, Mrs. W. R. VanKleeck, Mrs. M. C. McKencher, Mrs. S. B. Lawrence and Mrs. C. J. Bielman of Beaverton.

ZIMMERMAN WILL SPEAK OVER KWJJ

Senator Peter Zimmerman, of the 24th senatorial district, will speak over radio station KWJJ, Sunday, March 12, at 4 P.M., his subject being "Shortcomings of the Legislature." The address is one of the weekly discussions of subjects of current public interest presented by The Forum of the Air.

In the legislative assembly Senator Zimmerman gained the statewide reputation of being the advocate of advanced ideas. Some of the measures advocated by Senator Zimmerman, and early in the ses-

sion branded by the more conservative as being radical have, in the light of recent developments, become accepted as sound and as necessary steps to meet existing conditions.

Keep Her Off The Streets

One town of 15,000 lost ten of its young girls in one year. Where? Ask America's under-world.

The nation lost over 55,000 in one year. Where? Ask America's under-world.

Most of the girl-mothers in the Florence Crittenden homes are under 17; down to thirteen years of age. The matron blames first the parents. Keep your girl off the streets at night, she warns. It's not enough to keep them away from the public dance halls. Don't let them run at night at all.

No girl is safe. Office girl, home girl, factory girl, high school girl—none safe, say the Crittenden records.

And the girl who refused mother's pleading—who ran the streets—who found the wrong lover—who dare not tell mother? To save the girl's soul God proved a True Lover: "God Commendeth his love toward us in that while we were yet sinners Christ died for the ungodly." Old Time Religion. Chevrolet Motor Co., Detroit, Mich.

Another great new line of cars from the leader! Tomorrow, Chevrolet introduces, as an addition to its present Master Six, the new Standard Six line. Big, full-size, full-length automobiles. Built to Chevrolet standards of quality . . . performance . . . dependability . . . and economy. And selling at the lowest prices ever placed on six-cylinder enclosed motor cars.

The styling is modern, aer-stream styling . . . ultra-smart and up-to-the-minute. The bodies are Fisher wood-and-steel bodies—spacious, tastefully finished—and featuring Fisher No Draft Ventilation. The windshields have safety plate glass. The trans-

mission has an easy, clashless shift and a silent second gear. The engine is a smooth, fast, responsive six. And Chevrolet engineers have made economy an outstanding feature! Engineering tests show that the Standard Six goes more miles on a gallon of gas, more on a filling of oil, than will any other full-size car on the road. As for reliability—remember, it's a Chevrolet.

Introduction of this new Standard Six opens the way for new thousands of people to enjoy the advantages of Chevrolet quality. It gives the public, for the first time, a full-size automobile combining maximum quality and maximum all-round economy.
