Peter Vergeer and Mary M. Vergeer, his wife; Rev. W. S. Gordon and Elizabeth Gordon, his wife Albert W. Gentner and Jane Doe Gentner, his wife, Credit Service Company, a corporation. Defendants.

To Peter Vergeer and Mary M. Vergeer, his wife of the above named defendants.

In the Name of the State of Oregon: You and each of you, are hereby required to appear and answer the complaint filed against you in the above entitled court and suit on or before the last day of the time prescribed in the order for the publication of this summons, to-wit: on or before the expiration of four weeks next from and after the date of first publication of this summons, the date of said first publication being on March 24, 1933, and if you fail so to appear and answer the plaintiffs will apply to the Court for the relief prayed for in their said complaint, to-wit: That plaintiffs have judgment against defendants Peter Vergeer and Mary M. Vergeer, his wife, and against the real property hereinafter described, for the sum of \$250.00 with interest thereon since June 12, 1932, at the rate of eight per cent. per annum, and for the costs and disbursements of this suit, and the further sum of \$75.00 attorney's fees herein.

The East Two Hundred Sixty-four and four tenths (264.4) feet of Lot No. 10 in Block No. 5, Reedville Homes as shown on the duly recorded map and plat thereof, and situated in Washington County, Oregon.

That plaintiffs' mortgage described in their complaint herein, and which was executed by defendants, Peter Vergeer and Mary M. Vergeer, his wife, to the plaintiffs herein, and recorded on page 212 of book 115 records of mortgages for Washington County, Oregon, on or about June 12, 1930, be reformed and corrected so as to express the true intention and contract of Peter Vergeer and Mary M. Vergeer, his wife, and L. E. Klatt and Marion Klatt, his wife, parties thereto by describing the real estate therein mortgage as

The East Two Hundred Sixty-four and four tenths (264.4) feet of Lot No. 10 in Block No. 5, Reedville Homes as shown on the duly recorded map and plat thereof, and situated in Washington County, Oregon.

That plaintiffs' said mortgage, as reformed and corrected, be decreed to be first lien and a first mortgage upon the real property above described; that said mortgage, as reformed and corrected, be foreclosed and said real property subject thereto and hereinbefore described be sold as upon execution in the foreclosure of mortgages and the proceeds of said sale be applied as follows, viz:

First: To the payment of the lien and claim of these plaintiffs under said note and mortgage, which amounts to \$250.00, with interest thereon since June 12, 1932, at the rate of eight per cent. per annum, and the costs of this suit and of said sale, and the further sum of \$75.00 attorney's fees herein.

The balance, if any, to be disposed of as said court may be advised and may direct; that the lien of said mortgage be decreed prior and superior to all claim, interest or equity of each and all of the defendants herein, and that such other and further decree be granted herein as may seem just and equitable.

Mr. R. W. Steel, prior to taking over the 15th St. Auto Laundry devoted an entire month touring California, studying Super Service Stations and expert laundry systems. As the present manager he has endeavored to give the public the benefit of the best systems noted and has innovated many new features of his own. The location of the Laundry is most strategic—The bridges and main arteries are in a direct line and no matter in what direction one is traveling the laundry is the only logical and convenient place to stop for service. It is within five minutes walk of the heart of town which means close access to department stores Stage Terminal, Auto Freight Terminal, Union Depot and the Steam Boat Docks. Free parking is rendered for the day to any one having work done.

There is nothing in the way of Service that is left undone. The cleaning place can turn a car out every ninety seconds—only fifteen minutes is needed to wash and polish a machine at any time as available.

That if after said sale and the application of the proceeds thereof for the payment of the moneys due the plaintiffs on said note and mortgage it should be ascertained that said proceeds are insufficient to pay such judgment or decree as the plaintiffs may recover herein, they may have judgment over and against defendants Peter Vergeer and Mary M. Vergeer, his wife, in the sum of such deficiency. That said defendants, Peter Vergeer and Mary M. Vergeer, his wife, be required to appear herein and set up by way of answer any right, title, interest or lien which they or either of them, have or claim to have upon said premises or any part thereof.

This summons is served upon you by publication, by order of Hon. Geo. R. Bagley, Judge of the above entitled Court, which order was made and dated March 22, 1933.

Date of first publication March 24, 1933.

Date of last publication, April 21, 1933.

OREGON SEED STORE

The managers of the Oregon Seed Store at 234 Yamhill Street in Portland have a reputation far and wide as business men of wide experience and straightforward methods and it is not surprising that the volume of business is ever increasing.

If you select your seeds from the Oregon Seed Store you will be assured the highest quality seeds on the market. Their stock includes only merchandise as have been tested and have proven germination per centage. They stand behind the stock and give their years of experience and a large list of satisfied customers as their best reference.

The stock not only includes field seeds of all kinds; it also includes

garden seeds, flower seeds and a general line of supplies for keeping up lawns and gardens.

The management has made a scientific study of the needs of the territory in seeds and secures special brands that suit the trade of the state. Every farmer should call around here occasionally and see how production can be increased.

Their brand is by far the better mixture of grasses offered for the purpose of quickly producing a permanent lawn. It is prepared from a special formula, and is a careful blending of varieties adapted to this climate. It is also highly recommended to be sown over our country lawns, as it gives you a nice velvety lawn during the

year and rebuilds your old lawn. The matter of price has also received attention here, for it has become a well established fact not only in the city but in the surrounding country that the quotations of this store are always as low as is consistent with sound business. They permit no one to offer greater values, just as they permit no one to offer higher quality, and this happy combination has resulted in a large and ever increasing customer.

The proprietors of this store invite the public to make this place their headquarters when in town and are glad to render any little service for your convenience.

They can be reached by phone by calling Atwater 5522 Adv.
