Wars Must Go On

For ungodly military fists will still smash the dream of world peace.

2000 years have proved Christ's word, "there shall be wars and rumours of war." And the end? Into a discordant and unconverted world will come God's "Smiting Stone", Jesus Christ. At one stroke He breaks up the present world system. Then "the Stone becomes a mountain (Kingdom) and fills the whole earth."

When? When the gospel reaches and wins the last soul needed to complete the roll-call of the redeemed. Tucked away in some tribe kindred, or tongue, that last man will be found.

It's your move now for the Lord "is long suffering toward us, not willing that any should perish but that all should come to repentance."

A world ripe for judgment; a world that never soinned against the light; and spared from day to day waiting for you to turn and come in to safety.

Geo. N. Taylor, Beaverton, Ore.
