Found! A Six-Foot Saw

Mother and the bops ran across this cross-cut saw back in the timber. Kerosene, elbow-grease and a brick rubbed off the rust; a file put the teeth in shape and we cut our winter's wood with it.

Just like that, some folks think God tinkers up lost souls. Not so; He never takes the man dead in trespass and sin to polish him and make him fit. And why not? Because sinful human nature is hopeless. You can educate it, polish it, and culture it, but it is still hopeless for what God wants. For one thing your natural mind is not subject to the law of God; neither indeed can be and they that are in the flesh—that have only their human nature to go on—cannot please God.

Now if God does not polish up your old sin-loving nature and make it look decent, then what does He? He does better. He breathes His God-life into you. Born again by His Holy Spirit you are—"You must be born again," says He. From the instant of the new birth it is God who created within you the desire to do His gracious will and it is His God-life within you that brings you through for all time and eternity.

Being born again, what you once despised you now love. Bible, prayer, to witness in the face of sneers, peril, suffering, sword, famine, nakedness, death—all these you face with joy. See that vast army, the sons of men marching, marching, marching and there comes One different. God's Son, who took their sins that they might have eternal life. Some look up and receive Him. "As many as received Him, to them gave He power to become the sons of God." Right now, right where you are, close your eyes, and thank God He had a Son who died for your sins.
