PEP UP APPETITES; RELISH YOUR FOOD

No matter how little you eat, you should relish your food to feel your best and get the most enjoyment out of living. If clogged-up bowels and inactive kidneys are poisoning your system, causing you to have a "puffy," finicky appetite, and making you feel run-down, sluggish, without ambition or zest for the good things in life—take a few doses of good old Williams S. L. K. Formula, and see how much better you feel.

Williams S. L. K. Formula is compounded from the prescription of a former army doctor and contains valuable ingredients which accomplish their work in four beneficial ways: as a mild tonic, stomach stimulant, laxative, and diuretic stimulant for the kidneys. Many take Williams S. L. K. Formula also for indigestion, nausea, loss of weight and sallow complexion, where a mild tonic, laxative, stomachic, and diuretic is needed. Don't take too harsh drugs which jolt your system and upset your stomach. Ask Brown's Beaverton Pharmacy today for Williams S. L. K. Formula. The first bottle must satisfy or money back. adv 1

FAIR TO HAVE HOG FEEDING CONTEST

A special hog feeding contest is being sponsored at the County Fair this year by the Forest Grove Creamery. The purpose of the contest is to stimulate interest in hog raising and the use of skim milk in hog feeding.

Fifteen club members are enrolled in pig club work this year and are entering hogs in this contest. These members are: Neil Knepper, Ray Knepper, Evelyn Kelly, Billy Kelly, Merrill Mead, Dwight and Charles Davis of Banks; Bernard Altishin and Don McIntosh of Beaverton; Marvin Heyndericks, of Cornelius; John Nystrom of Sherwood; Gordon Moore of Tigard; and John Hansen of Route 2, Portland.

Classes for which special premiums are being offered are the pen of four fat hogs and the single fat hog. Each boy or girl entering either of these two classes must furnish records showing the rations they used to fatten their pigs.

The winners in this contest will take their hogs to the State Fair. Other hogs entered in this contest will be sold at the fair grounds.

Sport Fans Follow The American Boy

Boys and young men of this city who wish to improve their tennis service, their basket-shooting eyes, their forward passing talent, or their crawl stroke, can enlist the aid of the nation's foremost coaches and players by subscribing to THE AMERICAN BOY Magazine, and following the sports interviews and fiction stories that appear each month.

"When I was in high school," says a famous decaathlon champion, "I read a track article in THE AMERICAN BOY that gave me my first clear-cut idea of the western style of high jumping. At practice I laid the open magazine on the grass and studied it as I worked out. That afternoon I increased the height of my jump three inches."

That was a long time ago, but today thousands of future champions just as eagerly follow THE AMERICAN BOY.

"This year," states Griffith Ogden Ellis, editor, "our staff writers have gone to the two greatest football teams of the country—Minnesota and Pittsburgh—for first-hand tips on strategy, blocking, tackling, passing, and the fine points of play. They have inter-

In the past they have followed the Grapefruit Circuit of the major leagues in Florida, sat on the bench at the Rose Bowl, sought out the famous runners, divers, All-American ends, tackles, and backfield men, to bring their story of how to play the game to the young men of America.

"In addition to our fiction, adventure, exploration, hobby counsel, and vocational help, we shall continue to encourage young men to

improve their game in every line of sport."
