AWARDS RECEIVED FOR LONG LEADERSHIP

Henry G. Hagg, dairyman of Reedville, and leader of the Reedville dairy club, and John Schmeltzer, fruit and nut grower of the Chehalem Mountain district, and leader of the Chehalem Mountain potato club, have received awards this year in recognition of having served as leaders of 4-H clubs for five years.

The first two years of Mr. Hagg's leadership he had a pig club, and for the last three years the dairy club. While his club members are younger boys, they have made a creditable showing in club work.

At this year's Washington county fair they were successful in winning a grand championship, a first two second and two third places with the six animals that they entered. In addition to this Richard Hagg, one of the members succeeded in winning the D. G. Lilly heifer which was awarded to the boy exhibiting the highest scoring grade Jersey heifer calf. Howard Trachsel, another member, won the J. B. Imley and Sons, 4-H club summer school scholarship for having exhibited the highest scoring dairy animal. The club completed its work 100 per cent for the past year.

Mr. Schmeltzer has for five years led the Chehalem Mountain Potato club, which is the oldest 4-H club in Washington county. During his period of leadership the Chehalem Mountain potato club banquet was started. This is an annual banquet sponsored by the club and is receiving considerable recommendation of late. This club sent the winning crops demonstration team to the state fair this year, members of the team being James and George Allison. Three scholarships have been won by members of the club. George and James Allison each winning scholarships presented by the State Fair and the First Bank of Tigard. The other scholarship which is sponsored by the club itself was won by Peronice Ego. The Chehalem Mountain potato club has also completed its work for the past year 100 per cent.

The addition of these two five year leaders makes a total of four active leaders in the county who have been leading clubs for five years or more. Other veteran leaders are F. H. Jossy, leader of the Rock Creek Dairy club, who has had seven years service and Albert Jansen, leader of the Verboort corn club, who has been a leader for six years.

Mechanical engineers tell us that it takes six times as much power to start a fly-wheel from a dead stop as it does to keep it going, once it is in motion. In other words, it takes only one sixth as much effort to keep going once you are on the way as it does to stop a bit and rest and then start all over again.

DEAD THING GETS LIFE

Now watch—
See me pick up this old rotted branch; all moss covered; look out; don't jar me—it will fall to pieces—and I step with care and come on until I touch it up against the trunk of this living tree here and—

Believe it or not, the old branch instantly becomes part of the tree; joined into the tree. It takes on life, growth, and bears fruit. Sounds like a fool thing, you say. But—"the foolishness of God is wiser than men." 1 Cor. 1:25. And it is Bible straight for—"You hath he made alive who were dead in trespass and sin," means Ephesians 2:1. Eternal life, too, God underwrites it in John's Gospel—10:28. "And I give unto them eternal life; and they shall never perish."

Jesus put it this way—"I am the vine; ye are the branches." Does not the vine keep the branches green and growing? Vine and branches; Christ and his own. Two become one. Fibre into fibre. Eternally one; this is the new birth—"If any man be in Christ there is a new creation; old things have passed away; all things have become new." So means 2 Cor. 5:17. You were without Christ, having no hope and without God in the world. Now a new heart, new eternity, and to go on through this life with the Friend that sticketh closer than a brother.

Have you one little spark of faith? Just enough to believe in your heart of hearts that Christ died for your sins? Fine! Now right where you are; just as you are; in all your sins; tell God that you close with him on his own terms—that is, you count Christ as having by his death cleared you and that from now on He is yours to love, trust and obey. Your Saviour and Lord. Then tell the folks and all your life keep on telling it that you closed with God and have the gift of eternal life. And BIBLE—BIBLE—BIBLE and PRAY—PRAY—PRAY and GROW—GROW—GROW and he that hath begun a good work in you will perform it until the day of Jesus Christ.

Silently Passing

MARY ELIZABETH NELSON
Mary Elizabeth Nelson died at her home in Aloha Wednesday forenoon at 8:50.

Mary Elizabeth McKown was born in Ray county, Missouri, May 2, 1861. When about eighteen she married Wm. Nelson and later the couple moved to what was then Indian territory, where they settled at a little place called Grove. They lived there for some 21 years.

The husband died there and the family all married except Oscar, the oldest son, who stayed home to care for his mother. These two came to Centralia in about 1908 or 1909. They lived there until 1928 when they came to live at Aloha.

The daughter, Mrs. Ettie McCready of Yakima, and three sons, Oscar at Aloha, Albert at Gresham and John at Peck, Kans., and ten grandchildren survive.

Funeral services will be held at Pezz's Undertaking parlors at 2:00

p.m. Saturday with interment in Crescent Grove cemetery.
