G. O. P. Platform: Restore Liberty!

(Cont'd from Previous Page)

tary. The authority to regulate should be vested in an independent tribunal acting under clear and specific laws establishing definite standards. Their determinations on law and facts should be subject to review by the courts. We favor federal regulation, within the Constitution, of the marketing of securities to protect investors. We favor also federal regulation of the interstate activities of public utilities.

Civil Service.

We pledge ourselves to the merit system, virtually destroyed by New Deal spoilsmen. It should be restored, improved and extended.

Government Finance.

We pledge ourselves to: Stop the folly of uncontrolled spending.

Balance the budget—not by increasing taxes but by cutting expenditures, drastically and immediately.

Revise the federal tax system and co-ordinate it with state and local tax systems.

Use the taxing power for raising revenue and not for punitive or political purposes.

Money and Banking.

We advocate a sound currency to be preserved at all hazards. The first requisite to a sound and stable currency is a balanced budget. We oppose further devaluation of the dollar. We will restore to the congress the authority lodged with it by the Constitution to coin money and regulate the value thereof by repealing all the laws delegating this authority to the Executive.

We will co-operate with other countries toward stabilization of currencies as soon as we can do so with due regard for our national interests and as soon as other nations have sufficient stability to justify such action.

Bill of Rights.

We pledge ourselves to preserve, protect and defend, against all intimidation and threat, freedom of religion, speech, press and radio; and the right of assembly and petition and immunity from unreasonable searches and seizures.

(Following the above came planks pledging the Republican party to foster peace in international affairs without entering into any foreign alliance or joining the League of Nations or the World court; providing for adequate national defenses. Further planks pledged flood control, subject to approval of states concerned; equal opportunities for colored citizens; better conditions for Indians; adequate veterans' compensation; attempt at collection of the war debts, and opposition to movements discriminating against women in federal and state employment.)

In conclusion, the platform emphasized the fact that the great national crisis and the issues involved transcended party lines, and called for a united front, regardless of party.)

BALANCE IN KANSAS

Topeka, Kas.—Kansas, whose Gov. Alf M. Landon's policy is "deeds, not details," was expected to close its books on a balanced budget at the close of the fiscal year, with a bigger amount of cash on hand than it had at the end of the 1935 fiscal year, according to the report of J. J. Chadwick, state treasurer. Rhodes reported that the unencumbered cash balance in the state's general fund May 31 was \$1,572,481, compared with \$889,591 at the same time last year.

Wallace Paid 300 Firms 38 Million

Bares Names of Producers Who Received More Than \$10,000 from AAA

WASHINGTON, D. C.—The AAA paid \$38,460,000 to some 300 producers in three years for not raising crops they were in business to raise, Secretary of Agriculture Wallace revealed in a report. This is an average of approximately \$128,200 a producer, but far larger lumps of the New Deal "sugar" went to the large sugar producers.

Here are a few disclosed by Wallace in response to a senate request made at the vigorous insistence of Sen. Arthur H. Vandenberg (Rep., Mich.) that names of those who received more than \$10,000 each be bared:

Hawaiian Commercial and Sugar Company, Ltd., \$1,022,037; Oahu Sugar Company of Hawaii, \$994,562; Lihue Plantation company, Hawaii, \$815,409; Ewa Plantation company, Hawaii, \$751,843; Waialua Agricultural Company, Ltd., \$740,095.

Bank Gets 705,488.

Even the National City Bank of New York apparently got paid by the AAA for not raising sugar, for it received \$705,488 on the same contract by which the Eastern sugar associates of Puerto Rico received \$278,810.

Largest sugar payments on the

mainland went to the United States Sugar Corporation of Florida, which was paid \$785,038.

Lee Wilson and Company, Mississippi county, Arkansas, received the largest cotton payments—\$392,702, while the Delta and Pine Land company of Mississippi received \$318,287. Oscar Johnston, manager of the AAA cotton pool, is the Delta manager.

Largest Hog, Wheat Payments.

The largest hog payment went to Fantana Farms in California, \$153,575. The average corn-hog benefit payment to farmers of Iowa, a leading agricultural state, was \$400.

Among the large wheat payments were \$51,066 to the Campbell Farming Corporation of Montana, and a total of \$134,834 to the Sutter Basin Corp., Ltd., and the Sutter Improvement Company of California.

Nazarene Church

The Sunday School year has just commenced with a newly organized staff of teachers under the Superintendency of Mr. W. H. Hart. There are classes for all ages. There is just one thing better than sending the children to Sunday School, and that is: bring them. We are never too old to learn the truths of the Bible.

The pastor will give an exposition of the Word at the 11 o'clock service. The theme will be "Individual Responsibility" based on the miracle of the loaves and fishes. The sermon

text is found in the Gospel of St. Luke, chapter 9, verse 13. "Give ye them to eat." Miss Esther Porter will lead the praise and a special feature of the service will be a duet rendered by Mrs. Swanson and Sister Anderson.

The subject at the 8 o'clock service will be: "Christ's Question to Would-be Disciples". The evening service during the summer months will be brief, bright and breezy. We are always glad to welcome strangers.

Remember the Nazarene Camp Meeting at Portland from July 9 to 19, with Rev. L. A. Reed, Kansas City, and W. I. Vanderpool, Walla Walla, as the special workers.

BIBLE CLASS

The study at the Bible class, to be held at the Huber hall, Friday evening, by Mrs. A. G. Nagel will be a continuation of the subject of baptism.
