Grade School Notes For Past Week

Class Elections Are Held In Sixth Grade Room This Week

Four New Students Enter Beaverton Grade School

The first graders are having a good time in their new building. They are having a contest called the "Good to Eat Alphabet." It is a red letter day when the first graders start spelling, which they did this week taking five words a week. Starting the "Peter and Peggy Readers" is a privilege greatly enjoyed by one class in this room. Since a turtle made his appearance language stories have centered around this subject.

For ideas on a good luncheon or breakfast one should visit the second grade. After studying foods and their different uses for the body, two children choose from many pictures of foods a well balanced meal which is set up on a table for that day. Clever posters in the room show brownies on ice skates.

The third grade has had the privilege of free hand drawing lessons under the supervision of Mrs. McMinn. The model for this week was a child dressed in costume.

The fourth grade pupils are featuring a pictorial map of the Netherlands in connection with their study of geography. Their knowledge of vegetable and animal products is transferred to the map. In art, Dutch plates with designs of Dutch children and with borders characteristic of Holland have been an interesting project for the week.

The January poster for the fifth grade is a country church, the center of a snow scene.

All types of sentences are the present problems in the fifth grade language class.

Class election results in the sixth grade are: president, Margaret Hansen; vice president, Helen Randall; secretary, Laurene Mayfield; treasurer, Robert Austin. The weekly meeting of the class takes place on Tuesday from 2:40 p.m. to 3:00 p.m.

Basketball practice has been discontinued for the week due to a wide epidemic of colds.

The sixth, seventh and eighth grade pupils have just completed tests in arithmetic, social science, geography, spelling and grammar. Results are being scored.

New pupils at Beaverton are Teddy Bogardus, fifth grade, from the Portland Demonstration school, Nick and Hercules Alex, sixth and seventh grades, respectively, from Battleground, Wn., and Alexander Peterson, Jr., eighth grade from Buckman school, Portland.

RITUALISTIC WORK GIVEN AT MEET

Many visitors from Portland, Oregon City, Sherwood and Multnomah attended the meeting of Beaver Chapter No. 106 O.E.S. Wednesday evening when Mrs. Dora E. Stipe, Grand Conductress visited the chapter officially to inspect the ritualistic work of the officers.

Among the distinguished guests present were John L. Gary of Oregon City, Worthy Grand Patron of the O.E.S. of Oregon, Mrs. Gary, Grand Marshal and Mrs. Marjorie Simpson of Portland, Grand Adm. and a large group of the 1938 Matrons and Patrons of Portland and vicinity were also present.

Speeches and refreshments concluded the meeting. The dining room was especially attractive with decorations of ferns, evergreens, cyclamen, frezias and snapdragons.

The twentieth-sixth anniversary of the chapter will be celebrated at the next regular meeting, February 9.

AIRPORT NEWS

A. C. (Bud) Gall is having his ship given a thorough overhauling at the Bernard Airport. The Inspector for the Oregon State Board of Aeronautics was at the Bernard Airport Tuesday looking over the situation. George Yates says that the requirements are getting more and more rigid each year.

Among the improvements at the airport, we notice that considerable tiling is being done to keep the field in shape for the winter.

Two new hangars are being constructed. This will bring the total up to seventeen hangars which house twenty ships.

A new monthly publication is about to appear in our midst. "The Amateur Pilot." The publication is being sponsored by the Bernard Airport. It will be a mimeographed sheet of four pages with Eugene Puleipher as editor.

Competition in debate, oratory, extemporaneous speaking and two divisions of declamation will be held. Prof. Roy D. Mahaffey, head of the Linfield speech department announces. Many of the larger schools throughout the state will be represented this year, he states.

The question for debate is: "Resolved, that the several states should adopt a unicameral system of legislature." The Linfield contest is the only opportunity for state wide competition prior to the state forensic league tournament.

Last year twenty-seven high schools participated in the Linfield meet. Beaverton won in debate, Westport in extemporaneous speaking, Gresham in dramatic declamation and Sheridan in humorous declamation.

ELK SEEN BY BOYS AT SAINT MARY'S

The Saint Mary's boys from Beaverton skipped the last class Wednesday before noon, as one of them looked out the window and spied a big bull elk standing in the garden just along side the barn, and he hollered, deer, and the whole school piled out of the windows, as some said, moose, some said deer, and some said elk. Father Carberry calling Sheriff Connell at Hillsboro, thinking it might have escaped from the park in Portland was informed that it was possibly one that had drifted down from the mountains. Anyway the boys would not go back to class until they had scared the elk back into the timber back of the barn, as they tried taking pictures of it. As long as it stays on the farm it will be safe as the farm where the Boys' Home is located is a game reserve.

The Firemen's Dance is only held once each year and the residents of Beaverton are urged to cooperate by purchasing tickets to the dance. In the near future a fireman will call at your home with tickets to sell and it is hoped that every family in town will purchase one or more. Let's all get behind the boys and make this community enterprise a huge success.

Fire Department To Hold Annual Dance

Proceeds Of Dance To Pay For Needed Fire Fighting Equipment

Dance Is To Be Held On Saturday, February 12

On Saturday, February 12, the Beaverton Volunteer Fire Department will hold its annual dance. This is the most important social event of the year for the volunteer firemen and offers the citizens of Beaverton an opportunity to express their appreciation of a fine modern fire department. The boys of the department have added to this equipment by purchases which were made possible by the proceeds of their annual dance. During the past year the firemen have made a substantial payment on the siren now in use and it is their 1938 objective to pay the balance due on this necessary piece of equipment. There is also an urgent need for two smoke helmets and other miscellaneous paraphernalia to augment their present apparatus.

At the present time there is no suitable meeting place for the members of the department. The past few meetings have been held in the new city hall, where it has been necessary for chairs to be carried to and from the hall for each meeting. Present plans call for the renovation of the old city hall into a club room, to which a kitchen may be added in the future. Such conveniences are provided the fire departments of neighboring towns by city funds, but the local department is ambitious to raise their own money for this purpose.

The Firemen's Dance is only held once each year and the residents of Beaverton are urged to cooperate by purchasing tickets to the dance. In the near future a fireman will call at your home with tickets to sell and it is hoped that every family in town will purchase one or more. Let's all get behind the boys and make this community enterprise a huge success.
