THE THIRD RAIL

Uncle Henry Henstutter says: "Zek, Snodgrass got home from his deer-huntin' trip Sunday and reports that he was shot at sixty-seven times, fell off a mountain into a creek, sat down on a porcupine and got a mess of poison oak that'll last him until next fall."

OUR VOCABULARY
(Watch it Grow)

THUMB (noun)—The grand hailing sign of the hitch-hiker; to "thumb a ride" (verb) To indicate the desire to share the companionship of each passing motorist.

THE SECOND READER

See the Man. Why is the Man so Angry? Because the Man's Wife Has Burned the Funny Papers. The Man's Wife Says That He Acts as Though She Had Committed a Felony, or Something, and Why Don't He Learn To Read The News and Editorials. So He'd Know the Difference Between a Plebescite and a Daschhund. The Man Says He Guesses He Wont Miss the Funny paper if She'll Put on Her New Fall Hat and the Man's Wife Says He is a Brute With the Soul of a Cut Worm, and She Wishes She Had Married That Travelling Man and The Man Says, "You an' Me Both!"

Dr. Robert Maynard Hutchins the college president who is creating so much discussion by proving that our educational system is all haywire, a short time ago said he thought that one way to become a good journalist was not to go to a journalism school. Of course the journalism teachers squawked loudly at this. But Mr. Hutchins received a sheaf of letters from editors, every one of whom said he preferred the products of general education to graduates of schools of journalism. Any seasoned newspaper worker can tell why this is true.

The pioneer stands on the capitol's top,
Deaf and dumb to what goes on below;
With his feet pointing north, and his face pointing west,
He can't decide which way to go.

WAR UNTIL—

Will our Lord be gentle when He descends from heaven to sweep out the present set-up of nations? Listen to the Second Psalm—"Thou shalt break them with a rod of iron; Thou shalt dash them in pieces like a potter's vessel." So the Father commands Christ to do on that day when He descends to set up His kingdom here on earth. Armies and navies then go out; red-light sections to be closed;

Miss Florence Lucas and Bonnie Smith returned Friday from a week's vacation trip at Kelso, Skamokawa, Longview and Seaside beach. On Sunday they spent the day visiting at Skamokawa.

gambling, liquor, drugs and their sorry day; thieves, wholesale and retail come under; whatever is hateful to God must go. His will is to be done on earth as it is in heaven.

So will the GOLDEN AGE, the Thousand Years, Christ's personal rule over the earth be ushered in. So will all things be set in order that the vast body of unfulfilled prophecy come through. Then will every man sit under his own vine and fig tree and blessings abound.

This is in line with God's merciful purpose for the government of the world when the times are right for it. The purpose which he has cherished in his own mind of restoring all things to find their one head in Christ; of things in heaven and things on earth, to find their one head in Him.

Why has not Christ been sent before? Why do misery and carnage go on unrebuked? by high heaven? It is because the roll call of the Saved-by-Christ's Blood must be first rounded out.

This holy business of spreading the Gospel has been under way for the last 1900 years. Vast numbers have heard GOD HAD A SON WHO DIED FOR YOUR SINS. Millions have believed to the saving of their souls; into their hearts the Holy Spirit has been sent to cleanse out the old and set up the new. When the last soul has been brought in to complete the roll-call Christ will make His Second Advent.

God would not have any to perish but now commandeth all men everywhere to confess their loss state, repent of their sins and turn to Christ who alone can SAVE-KEEP-SATISFY. So He does for all who receive Him as Saviour and Lord.
