

THE BEAVERTON REVIEW

The Only Newspaper Devoted Exclusively to the Interests of Eastern Washington County.

VOLUME XVI, NO. 50.

BEAVERTON, WASHINGTON COUNTY, OREGON, FRIDAY, NOVEMBER 18, 1938

SUBSCRIPTION, \$1.00 Per Year.

CITIZENS CAUCUS NAME CANDIDATES

A Citizen's caucus was held Thursday evening, Nov. 10th, in the Kiwanis hall for the purpose of selecting a ticket to be placed before the voters of Beaverton at an election to be held next month.

Mayor W. E. McCloskey was nominated without opposition.

For recorder, two names were placed before the caucus, Homer L. Wilson, the present recorder, and J. H. Venn. The former won the nomination.

For Councilmen, Guy Carr, John Kirby and A. E. Wilson were nominated without opposition.

The first of the week J. H. Venn filed independently for the office of recorder - treasurer, which means that there will be at least one contest in the election.

HAM DINNER AND BAZAAR

The Beaver Social Club of the O. E. S., who sponsored the Ham dinner and Bazaar were very well pleased with the outcome of the dinner receipts, and most everything of value was sold.

The ladies have received many compliments on their grand dinner. The Bazaar was also well attended, and many Christmas gifts were selected from the many beautiful and useful things that were offered.

The Club desires to thank the patrons for helping to make this affair a success both socially and financially.

COMMUNITY BOOK CLUB NEWS

The Community Book Club met Thursday, Nov. 10th, in the Kiwanis Hall. Mrs. C. R. Hamilton of West Slope gave an excellent review of Anne Lindbergh's "Listen, the Wind."

Mrs. H. A. Hartshorn presented the club with imprinted book covers for the volumes now in the library.

The club will be pleased to accept donations of Green Trading Stamps as they can be used to increase the service that can be rendered.

Dr. Welsh reports three cases of moderately severe small pox to have broken out in one family at Tigard. It is interesting to note that none of the patients, although middle age, have never been vaccinated and although smallpox is generally found to be a mild disease in this day of universal vaccination, yet it can still be a serious illness. This should serve as a warning to those not yet vaccinated to have it done immediately.

Traffic Engineer Warns of America's Fatal Streets

Inadequate Visibility Blamed for Night Fatalities on Town and City Streets.

NEW YORK—R. E. Simpson, nationally known traffic expert and formerly consulting engineer for the National Bureau of Casualty and Surety Underwriters, warned motorists, and town and city officials that their main traffic thoroughfares are America's Fatal Streets, and that the fatal record is due, in large part, to lack of adequate visibility in night driving. Most street lighting in operation today produces less than half the minimum visibility for safety and they must be modernized if night traffic death is to be reduced, Mr. Simpson says.

R. E. SIMPSON

The facts about America's Fatal Streets were drawn from a two-year survey, by Mr. Simpson, of traffic accidents in 47 cities having 20,900 miles of streets and involving 7,279 automobile fatalities. The survey showed, though main thoroughfares represent only 10% of the total street mileage, that they account for 41% of all fatalities and 56% of all night fatalities. Three times as many people are killed on them at night as in the daytime, and all of this despite the fact that only one-fourth to one-fifth the traffic moves after dark.

Averaging his own estimates and those of the National Safety Council and Illuminating Engineering Society, Mr. Simpson says that about 50% of all night accidents are due directly to the lack of adequate illumination. He estimates that these excessive and prevent-

able night fatalities on America's Fatal Streets cost about \$2,444 per mile per year.

It is Mr. Simpson's prediction that authorities will come to realize the vital relation of light to safety and cites Detroit as the outstanding example of an American city that has saved both life and dollars through modernizing visibility. Detroit relighted 36 miles of its fatal streets and, as a result, cut the former ratio of 7 night deaths to 1 day death to 1.6 night deaths to 1 day death.

L. J. Schrenk, General Superintendent of Detroit's Public Lighting Commission said, "Had that ratio been maintained in 1934, 1935 and 1936 prior to improved lighting, more than 100 lives would have been saved."

HOOKER-SALZWEDEL

At a simple, but pretty wedding Sunday, November 13, mutual vows were said by Miss Irma Salzweidel and Ellsworth Hooker.

The ceremony took place at the home of the bride in Estacada, amid a setting of autumn flowers. The Rev. Dean Vermilion officiated.

The bride wore a creamy, lace gown and carried a bouquet of Joanna Hill roses and white bouvardia.

A reception followed the wedding, the brides sisters serving. The groom is a member of the W. H. Hooker family, who have resided near Beaverton for twelve years.

Ellsworth has a circle of warm personal friends in Beaverton and has many pleasant acquaintanceships. His avocation is music and many times he has entertained while participating in social activities of the town.

Friends welcome his bride to the community and wish the new Mr. and Mrs. Hooker a life of happiness.

St. Mary's School Notes

Mrs. Robert Husman of Portland gave a piano recital in St. Mary's of the Valley auditorium November 6. Numbers from Bach, Mendelssohn, Brahms, Debussy, Griffes, and Leocheetzki were played in a most charming and talented manner for the Acate students and their friends.

Rosary Booklets made by the pupils of the eighth grade were on display in the Library last week. First prize was awarded to Helen McPhee. The books were scored for literary composition and artistic arrangement.

Reverend John K. Dalanay, C. S. C., Ph. D., of Portland University will speak on "Child Life in India" in the auditorium November 20, at 2 p. m. This talk will be sponsored by the Pine Valley Chapter of the Quill and Scroll Society which will present the one-act comedy, "Alice's Blue Gown" on the same occasion.

CITY SELLS LOTS

The city recently sold a lot to Miss Hilda Hanes, teacher at West Union, at the corner of second and Lombard streets. She has started to build a residence.

George H. Wood has purchased a lot for the erection of a residence on Front and Lombard.

DANCE AT GYM

Job's Daughter's will sponsor a dance at the school gym Friday Nov. 25th. Music will be furnished by Billy Bishop's Orchestra. Cards will furnish amusement for those who do not care to dance.

Beaverton School News

HIGH SCHOOL NEWS (PAT WARD REPORTER)

LOCALS TROUCE THE VIKING ELEVEN

The Beavers of Beaverton high school marched to within one game of another football championship when they completely outclassed a beefy Forest Grove eleven Armistice Day by a 13 to 0 score. Beaverton excelled in all departments of the game and the heavy Vikings played in Beaverton territory but once during the game.

The score could easily have been double the amount as two Beaver touchdowns were called back by penalties. Bill Foster made the first score on a pass from Glen Jones, after Emmons, Fuhrer and Jones had bucked the Forest Grove line for 65 yards on a sustained drive. Glen Jones ran 55 yards for the second score as the Beaverton line did beautiful blocking, particularly Benjie Altshin, Herb Harrison, G. Huserik and Fred Stoehle. Not a single tackler laid a hand on Jones on his beautiful run.

Marshall Toelle played a fine game at end and Robert Coleman starred at center for Beaverton. Forest Grove's ace ball carrier, Toelmann, was completely bottled up as Gale Emmons and Earl Boliger backed up the line in fine style.

The Beavers remain unscathed in league competition and unbeaten in over two years of play. Thanksgiving will find an unbeaten Tigard team here at 10:30 in the morning to battle the speedy Beavers for the league title.

The "rain protector" will be placed on the south side of the field whereby one will be protected from the southerly storms and the afternoon rays of the sun. Under the front of the stand there will be benches exclusively for players of both teams.

In front of the structure the track will be widened to ten lanes for the purpose of allowing spectators a better view of the starts and finishes of the sprints and other races. The fence will be moved to allow automobiles to use the ground for a parking lot.

The stand will be built so that additional sections may be added as they are needed.

The student body now has \$400 for the construction of the grandstand. An additional \$500 will be needed before the stand is completed. A magazine drive sponsored by the Girl Reserves student body dance, Dec. 9, and other programs are to be held for the purpose of raising money for the completion of the grandstand.

"The Beaver" is edited by the senior class. It is under the supervision of the senior class advisors Miss Watkins, Miss Waughtner and Mr. Duncan. Plans have already been started for the '39 annual.

"Varsity" show is in the air—a full sized, all Beaverton, all student vaudeville which will represent Beaverton high school in the several exchange assemblies of this year, is being organized and sponsored by the public speaking class.

Through a carefully selected audition committee, the cream of high school talent is being chosen to form the "Varsity Show."

The "Jam Session" was the

Students who filled out application blanks are now appearing before this group of judges in full dress tryouts after which all contenders will be rated according to the entertaining merit of their act.

From those rated highest by the committee, the performers who will make up the show will be chosen.

First, second and third prizes will be awarded those acts by the judges.

An orchestra composed of local talent was organized by Billy Bishop and will provide modern swing music throughout the show.

SAFEWAY INSTALLS BANANA INCUBATOR

The Beaverton Safeway Store has again come to the top, in installing a modern Banana Incubator to insure the even ripeness of this fruit, and to have their customers know that at all times, this most popular fruit of all, will be perfect to use in the last salads, etc.

Bananas, being a tropical fruit soon chill in a 50 degree temperature, and become practically tasteless, if this is permitted to happen.

The incubator is a white square with a large glass case in front, with an electric element in the bottom that heats automatically.

Numerous hooks that hold bunches of bananas are all through the case to insure air circulation. This case holds 100 pounds of bananas. Come in and look it over.
