Farmers who do not have their farms listed under the program prior to January 15 are not eligible to receive grants for carrying out the soil building practice during 1939.

MAKING HIGHWAYS SAFE

While passing is one of the most important driving maneuvers from the standpoint of safety, it is probably done sloppily or improperly as often as any single movement.

The prevalence of improper passing is evidenced by the fact that it was reported as a factor in 1,376 accidents in Oregon last year, according to statistics compiled by Secretary of State Earl Smeal.

The dangers of passing on hillsides and curves are apparent to nearly every driver, yet there are those who insist on taking the risk when they would never think of passing with inadequate clearance on the straightaway. There are others who habitually pass by cutting in when their bumpers scarcely clear; there are still others who try to pass long strings of cars in a single mad dash, courting disaster in the form of a head-on collision, the cause of many fatal accidents.

If a driver has not yet learned to gauge his margin of safety accurately when passing, he is urged to err on the side of too great a margin rather than too little. As he gains experience, he can judge his passing with greater nicety, but he will never place himself or other drivers in jeopardy by playing safe at all times.

REVIEW OF THE OPENER

The 1939 basketball season was officially opened January 6 at St. Mary's. Eight high schools comprising the Tualatin Yamhill Valley League, participated in the opener.

The drawing was held at 7:30 captains of each team drawing for opponents. The playing time for each game was 12 minutes.

The results were as follows: Tigard, No. 1; St. Mary's, 2; Sherwood, 3; Banks, 4; Beaverton, 5; Newberg, 6; Forest Grove, 7; and Hillsboro, 8. The first game was between Tigard and St. Mary's with a final score of 14-5 in favor of Tigard. The second game, Sherwood vs. Banks, ended 7 to 6 in favor of Banks.

The third game, Beaverton vs. Newberg, resulted in the Beavers winning 8 to 6. The fourth and last game Forest Grove vs. Hillsboro, netted a victory for Hillsboro 12 to 8.

Winners played winners, with Tigard edging a 1 point lead over Banks, leaving the score 13 to 12. Hillsboro kept a jump ahead of the Beavers during their game leaving the score 11 to 6 in favor of Hillsboro.

The final playoff between Hillsboro and Tigard resulted in a close and fast game. Hillsboro won 9 to 8. The game was announced by Ernie Stansens. The two referees were Ted Rohwer and Hal York. It was estimated that over 1,000 people attended.

The Sherwood high school furnished music throughout the event. Beaverton students entertained the audience with a "Jitterbug" dance. Sherwood presented a Pop Eye and Olive Oil skit. Their four drum majorettes gave a baton twirling routine.

An enthusiastic group of grade school students attended the grade school basketball opener at Tigard last Wednesday. They had the pleasure of seeing their team win over the Tigard boys in the eight minute game played. Beaverton was beaten by Tualatin in a second game which they played. On Jan. 13 our boys have a game scheduled with Orenco to be played here.

If the interest shown in the posters on the bulletin board is any indication, there is going to be a large turnout at the motion picture and lecture on Australia to be given in the auditorium on next Tuesday.

SORRENTO ELECTION DECLARED INVALID

The Washington county court at Hillsboro last Thursday upheld a remonstrance of water users in the proposed Sorrento district bordering Beaverton on the south. The court action nullifies the recent special election when the water district was approved by a vote of 56 to 50.

At an official hearing water users asked that the election be set aside because a large number of those included in the district already have an adequate supply of water.

Berthold addition residents declared themselves suitably supplied with water by a pipe line from Beaverton. A like situation prevails in Anza acres, where residents have constructed their own pipe line.

Remonstrances of a group opposing the Wolf Creek district were over-ruled at a hearing last Thursday. The vote in this district was 71 to 21 favoring consolidation.

The Sorrento vote returns were filed with the county clerk's office at Hillsboro Friday, Dec. 30. Serving on the counting board were Myrtle B. Pelsler, chairman; Rebecca W. Eggman, judge; Arley W. Shellenberger, judge; and Ethel F. Hanson, Anne C. Wilson and Eleanor M. Caldwell, clerks.
