## EXPLAINED

A tourist at breakfast at the picturesque inn asked the proprietor: "Is it true that the duke of Wellington once stayed at this inn?"

"Quite true," replied the proprietor. "He slept in the very room you had last night, and, what is more, he used the very same bed."

"Ah," said the tourist, "now I know why he was called the Iron Duke."—Tit-Bits Magazine.

**Beyond His Means**

"What, you own a whole row of up-to-date houses and haven't got one to live in yourself?"

"That's so. You see, I've raised the rent so much that I can't afford to pay it."—Stray Stories Magazine.

THESE pretty dresses will be exactly as smart for spring as they are right now! **Blouse-With-Skirt Fashion.**

Here's a smart design that you will repeat time and again in different fabrics for every season of the year. Blouse - with - skirt dresses, like all two-piece styles, are much in favor right now, and this one is unusually smart and becoming. The skirt flares from a lifted, princess waistline. The blouse, on classic shirtwaist lines, has bosom fullness and high-shouldered sleeves to make it more becoming. Make it for right now of flannel or wool crepe, and later on, in tie silk or flat crepe, or with a silk or cotton blouse and wool skirt.

**Monastic Dress for Girls.**

This is the success of the season—the most exciting of all new fashions—and it's the easiest thing in the world to make with the diagram. It hangs loose and straight from the shoulder yoke, and

**Sun Down, Accidents Up**

When the sun goes down, traffic accidents go up. More than 60 per cent of all fatal traffic accidents occur at night, the National Safety Council reports. Since about a third of the driving is done at night, it estimates, the number of traffic deaths per mile is about three times as great at night as during the daytime.

In the past seven years, night accidents have increased 60 per cent in rural districts, the report says, and only 17 per cent in cities. Adequate lighting and divided highways tend to reduce headlight glare and accidents, the council said. Some states are experimenting with new reflector buttons placed along the side of the road to show the alignment of the highway on curves, hills and other hazardous places.

**Heat at Arctic Circle**

The Yukon river mining camp at Circle, Alaska, is but half a degree below the Arctic circle and its winter temperatures run to 30 and 50 degrees below zero, but its householders stay warm as toast. Circle hot springs is the answer. Virtually every structure in the town is being heated by natural hot water.

## How 25 Women Lost Ugly FAT In Special N. Y. Test

**Ask Your Doctor If It Isn't Good Way. Read EVERY WORD**

NEW YORK, N. Y.—In a test by a prominent N. Y. Physician and nationally known newspaper woman—25 women lost a total of 285 lbs. in 40 days. YOU, too, can follow this SAME, SENSIBLE plan right at home and here it is:

First of all go light on fatty meats and sweets. Eat plentifully of lean meats, fish, fowl, fresh fruits and vegetables. And for proper functioning by removal of accumulated wastes take a half teaspoonful of Kruschen in hot water every morning. DON'T MISS A MORNING. Kruschen

is made right here in U. S. A. from famous English formula.

And this is IMPORTANT: Kruschen is NOT harmful. It is not just one salt as some people ignorantly believe. Rather, it's a blend of 6 active minerals, which when dissolved in water make a healthful mineral drink similar to effective Spa waters where wealthy women have gone for years. A jar of Kruschen costs only a few cents and lasts 6 weeks.

So fat ladies—get some gumption! MAKE UP YOUR MIND YOU'LL STICK to the above Plan for 28 days and just see if you don't lose fat and feel healthier and younger. You can get Kruschen at drugists everywhere.
