Ad. Men Take Notes

The constant wooing lover Carries off the blushing maid; And the constant advertiser Is the one who gets the trade.

And the greatest advertiser of all is the eternal God Himself. At one stroke He spreads the sunset sky with the glory colors -- The Heavens Declare The Glory of God, so He draws your eye to Himself as Creator.

But watch your step, brother. What may be known of God is clear to your mind for God has made it plain to you. For even from the very creation of the world, his invisible perfections -- namely, His eternal power and divine nature -- have been open to the eye and clearly to be seen from His works, so that man is without excuse.

God is Number One Advertiser. He uses the big space; the universe is his display sheet. But -- Watch Your Step.

We say, The Lord Jesus is to come from heaven to take vengeance of those who do not acknowledge God and who do not obey the Gospel of our Lord Jesus. They are to pay the penalty in eternal war out away from the presence of the Lord and the wonders of His creation -- out with the weeping and the anguish and the lost forever. See Bible, 2, Thessalonians, Chap. 2.

The ad that has the Greatest Pulling Power of all was set up twenty centuries ago. The Cross of Christ will never be equalled as a display of love. There you have the eternal God in the person of His Son, dying under the guilt of our sins. God commands -- gives proof of His love toward us in that while we were yet sinners Christ died for us. God loves the sinner but his wrath is poured out against sins and sin -- the Greatest Sin of all, the rejection of His Son who Saves -- Keeps -- Satisfies all who receive Him as Saviour and Lord.

God sent not his Son into the world to condemn the world; but that the world thru Him might be saved. Believe lay hold on -- the Lord Jesus Christ and thou shalt be saved. George N. Taylor, Beaverton, Pd. Adv.
