## Bethany Church Celebrates

Special services this week will mark the passing of six decades of religious work by the Baptist people in the Bethany district. In 1865 a large emigration from Switzerland settled across the western hills of Portland. Their industry can be seen in the transformation of deserts into fertile farms and orchards with beautiful homes. Their steady tenacity is proven by the fact that a great number of the early settlers or their descendants are still occupying the homesteads. Their rugged individuality soon led to the establishment of a Baptist church. The Bethany church was organized in 1869 with but 11 members. It has grown to its present adult membership of 202 with a modern and well equipped church edifice and pipe organ. The church ministers to a large constituency, and although adopting progressive methods, has held on to the fundamental tenets of faith. The anniversary occasion will be marked by a fellowship dinner for members and their families on Friday evening at 7:00 o'clock and special services on Sunday at 11:00 a.m., 2:30 p.m. and 8:00 p.m. Special musical and choir numbers as well as other vocal number will be a feature at all of these services. The Rev. Walter Damrau of Tacoma, Washington, and Rev. John Leopold of Trinity Baptist Church, Portland, will be the guest speakers at these services. The public is cordially invited to all of the Sunday sessions. The church is located off Cornell road, two miles northwest from Cedar Mill. Rev. J. C. Schweitzer is the pastor.
