The concession at the grounds assisted greatly.

HUBER FLOWER SHOW BIG SUCCESS

A great many visitors looked over the beautiful display of exhibits at the Huber Garden Club Flower show held in the Huber Hall Sunday, June 2. All visiting gentlemen were presented with a "Lulu" buttonhole rose.

Accredited Judges were: Mrs. Paul Patterson, Hillsboro, Mrs. Mrs. G. H. Nickles of Gladstone and Mrs. R. B. Denney of Beaverton.

Grand Sweepstakes was presented to Mrs. Robert Stewart while the first prize in the miniature contest went to Ronald Beatty of Aloha. Many other first, second and third prizes were also awarded.

The display was enhanced by the beautiful background of wild ferns, fir boughs and vine maple. This club boasts of only four months duration and considers its success due to the co-operation of its enthusiastic members.

A picnic will be held Sunday, July 9, in the park at the home of Mr. and Mrs. Henry Pfennig. A "potluck" dinner has been planned for the occasion and will be served at 2:00 p.m., sharp. You are invited to bring your favorite dish along and enjoy a good time.

A "Garden Hint" for the month is: Do not trim moss rose bushes except to remove suckers and dead wood. All rose bushes infested with "black spot" should be dusted with white sulphur. Control is by constant dusting and should be applied when the air is quiet, preferably in the early morning.

The spores of black spot fungus winter over in the ground. It is therefore necessary to keep the soil as clean as possible by gathering up all infested leaves and burning them.

Now is a good time to overhaul the pool. Clean out thoroughly, dividing the water plants and replanting with fresh soil and fertilizer. If you are bothered with mosquitoes around your pool, get a gold fish and let it be a mosquito cure.

Remember Sunday, July 9 to be at the Pfennig home. A tour through the Rose garden with interesting information on growing and care of roses will be the first feature after dinner. Be sure to come!

The regular meeting will be held in Huber Hall, Tuesday evening, at 8:00 p.m. June 11.

Beaverton Festival Big Success

Something like nine years ago some children, enthused by an attendance at the Portland Rose Festival got together a pet or two, some little wagons, some toy float and with Lorraine Denney dyked out as a Queen. They were playing at "Rose Show."

Some of the Mothers thought the play so appropriate they told the children to parade over town. But being bashful as children sometimes are, they thought not. However one fond Mother got them to venture out.

They were received very kindly over town and taken in and treated to ice cream or candy.

Since that time there has been some sort of a Festival, and for a few years not so long ago the day was made quite an event—a paper was printed, edited and advertising sold to put the affair over.

The children to whom credit is due for getting the Junior Flower Festival under way were Evelyn Kilander, Phyllis and Barbara Wildman, Fielding, Lorraine, Hastings and Kathryn Denney, Jean Klein, Gene Brown and Rhoda Thyns.

This year the parade was at the high school athletic field. The floats though not so numerous as they have been in some of the parades but they made up in quality what they lacked in numbers.

The pictures shown were all supplied by Union Oil company and were much enjoyed, one of operating in oil, one showed sea fishing and one was on Arizona.
