

LOCAL QUARTET VISITS ORE. CAVES

Mr. and Mrs. Lyndon Myers, and Mr. and Mrs. Robert Johnston of Beaverton were among

the hundreds of guests who spent the Fourth of July at the Oregon Caves resort. Aside from a trip through the marble caverns, where glistening pendants hang from the walls, the group found many o-

ther diversions. These included making pets with the chipmunks by feeding them peanuts, watching the deer beg for a handout at the kitchen door of the Chateau, watching 16-inch trout swim in the pool near the coffee shop, hiking along the paths to the mountain peaks, and resting in the uniquely rustic but modern Chateau.

A highlight of the entertainment was the Starlight Serenade, an evening program presented to the guests seated around the blazing campfire. Crew members at the Caves are selected from leading Pacific coast colleges.
