BEAVERTON, WASHINGTON COUNTY, OREGON, FRIDAY, NOVEMBER 22, 1940

Huber Club Closes For This Year

The regular monthly meeting of the Huber garden club was held Tuesday November 12th. in the Huber Hall. Mr. L. A. Shaw of Multnomah, Ore., was a guest speaker. His subject was "Growing and Propagating Chrysanthemums" Mr. Shaw grows chrysanthemums as a hobby and has more than one hundred different varieties. Much was learned from his interesting talk.

Mr. Harry Jacobson of the Oregon seed store in Portland gave a brief talk on what to do this month, also storing and caring for Dahlia tubers. Many beautiful bouquets of chrysanthemums were on display at the informal flower show held at this meeting. First prize was awarded to Mrs. T. J. Holycross, second to Mrs. McGrath and third to Mrs. R. Ferriss. Several door prizes were also given away.

The meeting adjourned at the usual time, after which refreshments were served.

The Garden club wishes to thank their many friends for the fine attendance at their entertainment which was given on Thursday evening, November 14 in the Aloha Grange hall.

They also extend their thanks to the splendid talent from the Beaverton high school who so graciously donated one full hour's entertainment, and to the Beaverton Grange school orchestra under the splendid leadership of Mr. Bushnell.

The Girls' Quartette, accompanied by Dorothy Riggs has many thanks and good wishes. Also much praise must be given little five-year-old Christine Hesterly who sang two songs so beautifully. With this entertainment, the ways and means committee closes its activities for this year.

They also enjoyed the pleasure of having this year's subject finished.

BEAVERTON SQUAD TRIMS THE LOGGERS

A real championship fight took place when Beaverton's Beavers journeyed to Columbia county to meet the Vernonia Loggers last Friday afternoon, Nov. 15.

This game between Vernonia and Beaverton was one of the high lights of the present season. Vernonia is champion of Columbia county and Beaverton of Washington, the honors went to the Beavers.

The first frame ended in a tieless score (or should we say a scoreless tie?) but in the 2nd quarter things began to happen. Punnell, Vernonia's fast left half, recovered a blocked kick and ran 16 yards for the first score and the conversion made the score 7 to 0 in favor of the Loggers and the half ended with it still that way.

Things really got under way during the third quarter things really began to hum. Randall, Beaverton fullback scored after a two yard punch at the line and Malm converted and the score was again tied, this time 7 to 7.

Then Abel, a substitute, scored from the 4-yard line and converted thus putting the Beavers out in the lead.

The Loggers took to the air and Roscer gobbled in a 40-yard pass and ran 1 across for a score but the attempt to convert failed and at the end of the third quarter the score stood at 14 to 13 in favor of Beaverton.

In the fourth Malm scored from a ten yard run around end and converted and Randall ran six yards to a touchdown and he also converted, making the final score 13 to 28.

Thanksgiving

If Fortune with a smiling face,
Strew roses on our way,
When shall we stoop to pick them up?
Today, my friend, today.
But should she frown with face of care,
And talk of coming sorrow,
When shall we grieve, if grieve we must?
Tomorrow, friend tomorrow.
But give your thanks today.

If those who've wronged us, own their fault
And kindly pity pray,
When shall we listen and forgive?
Today, my friend, today.
But if stern Justice urge rebuke
And warmth from Memory borrow,
When shall we chide, if chide we dare?
Tomorrow, friend, tomorrow,
But give your thanks today!

If those to whom we owe a debt,
Are harmed unless we pay,
When shall we struggle to be just?
Today, my friend, today.
But if our debtor fails our hope,
And plead his ruin thorough,
When shall we weigh his breach of faith?
Tomorrow, friend, tomorrow,
But give your thanks today.

For virtuous acts, and harmless joys,
The minutes will not stay,
We've always time to welcome them,
Today, my friend, today.
But care, resentment, angry words,
And unavailing sorrow,
Come far to soon, if they appear,
Tomorrow, friend, tomorrow,
So give your thanks today.

WE TAKE GREAT PRIDE IN OUR PART

The National Tuberculosis association and its more than 1,600 affiliated associations throughout the country have no other support than our dollars, which once a year we give—one by one, two by two by two, five by five—to a sum that enables the vast organization to wage its campaign for our health, happiness and lives.

Now that we have with us again the Christmas Seals, thru which the health progress of next year will be made, we may well review the pride the victors for which we, as individuals, have been largely responsible.

Our money has helped to back the organized attack that has cut the death rate of tuberculosis three-fourths since 1907, the first year of the Seal Sale. Our money has financed one of the greatest health education programs ever carried on in this country. And what greater education can there be than the health education? Tuberculosis must be defeated through education of the people because

as yet, science has found no vaccine for its prevention, no drug for its cure.

Education, paid for by our Christmas Seal dollars, is our greatest vaccine. Christmas Seals too, have played a part in the establishment of clinics, in the development of new methods of diagnosis—the tuberculin test and the chest X-ray.

We have helped buy the knowledge that early tuberculosis can be cured and that early tuberculosis can be discovered by the X-ray. Our money has dispelled the hopelessness once held toward the disease.

Such are some of the advances we have financed. The final victory is yet to be won. Tuberculosis is still the chief disease killer of youth, taking more lives between the ages of 15 to 45 than any other disease. It still kills one person every 8 minutes.

The crusade must go on to ultimate victory, which authorities assure us is within sight during the next few decades. As we stop to review with pride our part in the great advances already made toward control of

tuberculosis, we realize all the more our responsibility for next year and the years to come.

Without our financial support, the fight cannot go on. A few dollars a year from each of us at Christmas time is little enough to give for the protection of life that we receive in return.

GRANGE ELECTS

At their election held in connection with their regular meeting, the following officers were elected. Mrs. J. H. Dobbins, Master; Mrs. Carl Hanson, Overseer; Mrs. S. B. Lawrence, Lecturer; A. M. Kennedy, Steward; Mrs. Parker Downing, Chaplain; Mrs. Doy Grey, Treasurer; Mrs. Ruby Boyd, secretary.

JOB'S DAUGHTERS ELECT OFFICERS

Bethel 29 Jobs Daughters held election of officers Monday evening. The following officers were elected Shirley Trotter Honor Queen, Bety Eason Senior Princess, Maxine Lusby Junior Princess, election of officers Monday evening. Janette Cornell Guide, Ida Flecher Marshall, next meeting will be inspection by state officers.

Of the 17 pedestrians killed in Oregon during the month of October, all but five were over 50 years of age, the average age of all such victims being 55.4 years, it was revealed in a study made by the traffic safety division of the State Department, results of which are announced.

In contrast to the higher average of pedestrian traffic victims, drivers of the cars which struck them were approximately 20 years younger on the average, the study disclosed. Only three of the drivers were over thirty years of age and six were under nineteen.

For the city of Portland alone, the average age of the pedestrian victim was 63 years while the average age of the death-car drivers was 23 years. Most of the state's pedestrian deaths occur in the residential districts of urban areas after dark, it was revealed 79% of the deaths were in cities and all but one occurred either during dusk or after dark 68% occurred between the hours 5:00 p.m. and 8:00 p.m.

The greater danger of walking at night was demonstrated by a study in a large eastern state recently which showed that in every eight injuries to adult pedestrians at night there was one fatality, as compared to one fatality in every 40 injuries during the day-time. For children, the ratio was one fatality for every 48 injuries in day-time and no fatalities at night out of 85 injuries included in the survey.

"The accident experience of every state in the Nation indicates the greater danger of walking after dark," declared Earl Snell, Secretary of State and sponsor of the state-wide traffic safety program. "The fact that many persons are unable to judge accurately the speed at which an oncoming car is approaching is one of the chief factors contributing to our heavy pedestrian fatality toll. The other important contributing factor is the difficulty of seeing the pedestrian dressed in dark clothing on a dark night, if all pedestrians would take up the custom of displaying something white or of carrying a lighted flash-light, many of these accidents could be prevented."

WOMEN VOTERS LEAGUE TO MEET

Mrs. Don McGraw, President of the Portland League of Women Voters, and Mrs. Grant, the chairman of the Social Welfare committee will be speakers at the November meeting of the Washington County League to be held in the Methodist church at Scholls, Monday, November 25, at the 12:30 luncheon.

The set-up for the next two months study will be explained, and will include Public Welfare and State Institutions, including the Industrial Training schools for delinquent boys and girls. The speakers will outline the work already accomplished and what is expected of County League members.

DREW TO SPEAK AT GARDEN CLUB

"Flower Arrangement" was the keynote of the Beaverton Community Garden club meeting held in the Kiwanis hall, Friday afternoon, November 15.

Mrs. Harry Hampton and Mrs. Robert Stewart demonstrated and then offered criticisms of the arrangements brought by other members of the club.

Mrs. Hampton also gave several very interesting and helpful hints for the amateur gardener.

The next meeting will be held Friday, December 13 instead of on the usual third Friday of the month. Paul Drew, nurseryman will be the guest speaker and he will give a talk on "Holly and Evergreens."

Nomination Of Officers For City

The Town caucus held last week on Thursday evening in Kiwanis Building was attended by about 24 of our more interested citizens. This is a good attendance considering that the city has been very well satisfied with the manner the municipal affairs have been going the past three years. It is when there is considerable clamor about the way things are run that the big crowds get out for the Town caucus.

Otto Kiel was elected chairman and W. H. Grauer acted as secretary.

Albert Rossi was nominated for Mayor to serve one year. Councilmen nominated to serve for two years are: Walter Van Kleeck, Guy Carr and L. R. Harris, with R. C. Doty for Recorder-Treasurer.

Retiring Councilmen include A. E. Wilson, for a number of years, the Town Mayor and for the past two years, a councilman. Carr and Doty are the only present city officers that are renominated. W. E. McKloskey refusing the nomination for business reasons and Wilson feeling that his health did not permit him to accept an office again.

The present city government consists of W. E. McKloskey, Mayor; Albert Rossi, A. E. Wilson, Guy Carr, Dayton Peck and Harry Barnes, as councilmen; and R. C. Doty, Recorder-Treasurer. That is the elective officers. The titles of the appointed are unconfirmed but Fred Gort is Water Superintendent; P. L. Patterson, City Attorney; A. L. Amacher, Auditor and Fred Antrobus, City Marshal.

COLORED PICTURES TO BE SHOWN HERE

Clear and beautiful colored pictures on "Biblical Archaeology; and Palestine and Fulfilled Prophecies" will be shown at the Methodist church in Beaverton, Wednesday, Thursday and Friday evenings, November 27-28 and 29 at 8:00 p.m. by Miss Odetta Dunn of Emmet, Idaho.

Wednesday evening Miss Dunn will present recent pictures that reveal the fulfillment of prophecy showing the New Jerusalem built outside the old city's walls, and within the boundaries laid down by God through the prophet and recorded in Jeremiah, 31: 38-40. She will show the pictures of the marvelous changes which the Jews are making in the Land of Palestine, transforming it into a veritable Paradise.

Thursday evening Miss Dunn will show pictures of the excavation of the ancient cities of Jericho, Samaria and Babylon which have been buried under the ground and lost to all knowledge of men for thousands of years.

Friday night the subject will be "Animals of Adam's Day; and Excavations at Ur of the Chaldees."

These pictures are unusual and present an educational and inspirational opportunity. Different pictures each night.

No charge for admission. Free will offering. Public is invited to attend.

MRS. R. STEWART SPEAKS AT CLUB

Mrs. Robert Stewart gave a very interesting talk on bouquets and table arrangements on general at the Garden Club Friday, a very interesting program was presented by the various members. The Club meets the 3rd Friday each month in Kiwanis hall at 1-30 P. M.

Get your Christmas gifts at the Hamberger Party at St. Cecilia Parish hall Thursday eve November 23.
