

Air Express Scores All-Time High

A 45-pound package of airplane engine parts air expressed by the Wright Aeronautical Corp., of Paterson, N. J., to the Douglas Aircraft Co., Inc., Santa Monica, Calif., marked 1940 as the first year in the 13-year history of air transportation in the United States in which 1,000,000 air express shipments were speeded in the air service of Railway Express Agency. Above photograph shows expressmen loading 1,000,000th shipment of 1940 aboard plane at New York for overnight flight to Los Angeles.

BIRTHDAY GIFT FOR ETON

MEMBERS of the University of Pennsylvania rifle team have taken the initiative in collecting guns and ammunition on the Philadelphia campus for the boys of Eton College, Windsor, England, to use in defense of their lives and the traditions of their school in the event that the threatened invasion of the British Isles materializes. Above is the rifle team's Captain

William F. Enright, Jr., '41 (left) presenting some of the guns contributed by Penn students and faculty to Charles C. G. Chaplin, Eton graduate now living in Hartford, Pa. The gift gains added significance from the fact that Penn, founded by Benjamin Franklin, is this year celebrating its 200th anniversary, while Eton, founded by Henry VI, is celebrating its 500th anniversary.

JIMMIE WHETMORE'S ORCHESTRA

WILL PLAY FOR FIREMEN

Jimmie Whatmore's leadership of the orchestra dates back to 1935 when it was organized at Mt. Vernon, Washington. While many changes have taken place since then the same general ideas and trends in music have been followed ever since.

Radio experience of the band extends from KVOS, Bellingham, to KGW Portland. Two principal reasons have been given for the immediate success of this organization. First, the fact that

only special arrangements are played, and, second, the fact that rehearsal each and every day is a principal requirement of each member of the orchestra.

This is the orchestra that will furnish the music for the Firemen's Ball at Beaverton High School Gym, Saturday night, February 15.

After paying the music, the remainder of the proceeds will go to the Beaverton Volunteer Fire Department.

CHURCHES' COUNCIL WILL MEET HERE

Washington County Council of Churches will meet at the Beaverton Congregational Church on Tuesday February 4th. Pot luck supper at 7:00 followed by a short business meeting and a program especially interesting to young people.

All churches and the general public are cordially invited. They hope to make this a profitable year for their organization.

FOREST FIRE CONFERENCE PLANNED

A forest fire prevention conference to be held on this campus on Washington's birthday, February 22, has been announced by Earl G. Mason, acting dean of the school of forestry. Representatives of Federal and State forest agencies, the lumber industry, sportsmen's associations and Chambers of Commerce have been invited to attend. Following the conference, the annual forestry school banquet will be held in the evening.
