AMERICANISM

"Americanism is unflinching love of country; loyalty to its institutions and ideals; eagerness to defend it against all enemies; undivided allegiance to the flag; and a desire to secure the blessings of liberty to ourselves and our posterity."

HEROES

I read about the war-like guys who smiling goes to battle; and naught can still his joyous cry, and nothing him can rattle. But nobler than the man who wins renown with battle axes, is he who springs some sunny grin while coughing up his taxes.

The captain who, in time of wreck, is free from fear's emotion, who calmly walks his sinking deck, alone upon the ocean, deserves a wreath upon his tile; he's surely smooth as wax is; but O the man who wears a smile while coughing up his taxes.

I've seen a brave policeman, walk where vicious knaves were lying, and bullets barely missed his block, and bricks and knives were flying; I've seen the wild beast tamer fool with savage bears and snakes; but of the man, who's calm and cool when coughing up his taxes.

Let oak leaves on his brow be laid, let nothing be denied him! All other heroes wilt and fade when they are brought be-

side him! No greater shall be found while earth revolves upon its axis—this lofty soul of sterling worth, who smiles when paying taxes. Walt Mason.

Mr. and Mrs. Bastion and family have moved into their new home on the Jackson place, which they have purchased.

Cure For Worry Here

Out beyond Main Street in comfy homes you will find two who live in defeat. Not under the same roof mind you, but both somewhere. First we name the man who has not the Christ of Yesterday. Next there is the woman who needs the Christ of Today.

First, the man who has not the Christ of Yesterday; the Christ who died on the cross to blot out our sins. Why that Christ? Because seven die every minute, taking it the world over and that man's minute is on the wav. When it catches him, he will either go out to meet a Saviour or else to meet his sins and Christ as Judge. As a neighbor we think a heap of this man. He pays cash; is right with wife and kiddies; helps in every good work. He is our kind of folks but we only see the outside of the man. It's God who looketh on the heart. And what does God see? "The heart is desperately wicked and deceitful above all things," says the Bible. In God's holy eyes we are all as an unclean thing and our best human goodness as filthy rags. So says the Book. This man and you and I all need to be washed of sin stains. The blood of Jesus Christ cleanses from all sin. We need a Saviour. NEXT COMES VICTORY

Up the street lives the woman who long since thanked God for saving faith. By that faith her heart laid hold on the blood of Christ as washing her life page clean of sin and guilt. But she lives in fear, fret and worry.—"The Lord is my Shepherd, I shall not want" has not gripped her. She has not learned to cast her burden on the Lord.

Even the birds of the air are His care. How much more His children?—His eye is on the sparrow and I know he watches me.—The thousands of promises in the Bible mean little to her. She knows not that Christ waits to become almighty within her. She is a poor advertisement of His power to save to the uttermost.

Hear the Apostle Paul, "Christ liveth in me; and the life that I live in the flesh—my daily life—I live by faith in the Son of God who loved me and gave Himself for me." Yes, casting all your care upon Him for He careth for you.

"He that abideth in Me and I in Him; the same bringeth forth much fruit; for without Me ye can do nothing," says our Lord. Which are you, the fretful worrying kind or do you draw life from Him and bring forth much fruit?

OUR DEMOCRACY — by Mat

WE HAVEN'T ALL OUR EGGS IN ONE BASKET

ONE OF THE REASONS FOR AMERICA'S STRENGTH IS VARIETY-DIVERSIFICATION. — MUCH IS DUE TO NATURE . . . EVEN MORE TO INITIATIVE AND BRAINS.

THE ADVENTUROUS PIONEER SPIRIT OF PROSPECTORS FOUND OUR MANY MINERALS. THE GREAT VARIETY OF OUR MANUFACTURES IS BASED ON ONE THING—INVENTIVE GENIUS IN WHICH WE LEAD THE WORLD.

FORESIGHT AND THRIFT GAVE US TWO OTHER GREAT AMERICAN DIVERSIFICATIONS—ROTATION OF CROPS, ESSENTIAL TO SUCCESSFUL FARMING . . . AND THE SPREADING OF THE INVESTMENTS OF OUR LIFE INSURANCE COMPANIES THROUGHOUT THE ENTIRE COUNTRY.
