Bandon Girls Win While the Boys Lose at Game of Basket Ball.

The B. H. S. girls win 20 to 4 but the boys are defeated 15 to 8. The first basket ball game of the season was pulled off at Coquille last Friday night and it was the fate of the Bandon boys' team to be on the losing side, but as the girls defeated the Coquille girls so much worse than they did us, we feel that we got the best of it. The Bandon girls' team was—Hazel Stephenson, center; Zettie Gibson and Daisy Hansen, forwards; Sylvia Rackleff and Rittie McNair, guards. The boys were—Geo. Strang, center; Lentner Gallier and Pat Rackleff, forwards; Ray Watkins and Carl Bowman, guards.

The game was called and the sphere set in motion by referee Thos. Laird at 8:15, and the girls started their first half. In less than 30 seconds Zettie Gibson had the ball in the basket. The Coquille girls looked dizzy it was done so quick. As the game progressed the Coquille girls quieted themselves for in about another 2 minutes Zettie had another ball hanging defiantly at them. Then the Bandon girls made one from the foul line and Hazel made a basket and Zettie two more, Coquille got one from the foul line and time was up with the score 11 to 1. The boys' teams were on the floor in an instant, and the first thing that happened was a basket to Strang's credit, but for some reason that cannot be definitely explained—possibly it was over confidence, or not enough real hard practice while at home, or that the Coquille team played rougher than expected, or the inexperience of some of our team—one from the foul line was all our team made, while Coquille's classy team made 10 points during the first half. The score ended 10 to 3 Coquille boys' favor.

In their second half the Bandon girls kept up the pace they had set and showed at the beginning that the victory was theirs. Zettie made two baskets, Hazel one and Daisy one and two from the foul line made the score 20. In the second half the Coquille girls made three from the foul line and this totaled them 4. Thus the standing was 20 to 4 and Coquille had not made a basket. They were all new in basket ball except one, we understand, and the next game with them may prove to be more even and exciting to spectators and not such a walk over.

The boys were given the floor and the Bandon lads did themselves great credit in the way they played this last half. The ball was in their end of the hall most of the time and it was only because of the lack of practice in basket throwing that they did not make up what they had lost; as it was, two baskets were thrown by Lentner, and one from the foul, while Coquille made two baskets and one from the foul line. It was evident that if the boys had played their first half like they did the last the victory would have been ours, but the game was closer than the score showed. We hope to show them that we are not so EASY when they play the return game on Dec. 23rd.

There were over fifty Bandonians up to witness the game and to enjoy the entertainment of the Bandon students on the delightful trip up on the Coquille. The night was lovely and the crowd seemed cheerful and every one had a good time,

GOOD ROADS ONCE MORE

THE RECORDER has been an advocate of good roads ever since the present management assumed control of it, but just at present we feel inclined to add a little zeal to our good roads campaign and urge the people of the road district to get ready for a vigorous awakening along this line.

The county court sets early in January, the exact date we believe is January 3d. At this session the new board will organize, and the newly elected commissioner, Geo. J. Armstrong will take the place of E. A. Anderson who retires. Mr. Armstrong is a Bandon man and will no doubt see to it that we get our share of the money at this end of the county, but a good delegation of citizens, at the opening of the session to show the court that we demand our dues, would probably help Mr. Armstrong considerably in his campaign for road funds, and no doubt would appreciate very much to know that the people of this end of the county were standing back of him. We need money for roads in this end of the county. We have been paying taxes to build roads in Coos county and have not had our share in return. We need better public highways leading into Bandon. The Dairyville road, mentioned in last Friday's RECORDER is only one of the many that ought to be improved. We want all of them fixed so that they will be good all the year-round wagon roads.

WE WANT GOOD ROADS! WE MUST HAVE GOOD ROADS!

This paper stands for good roads and will continue to fight for them until we get them. Good roads will help more to build up the country than any other thing.

A gentleman said to the RECORDER the other day, "If you will travel over the roads to my place every day for a week, you would not say anything about port commission for awhile."

Yes, we would. We want good roads to get the farm produce to town, and we want a port commission to get the goods out to market by easier means of transportation. We can have both good roads and a port commission, and not pay any more tax in the end than we are paying now. We want both, we need both—this paper is in favor of both and will advocate both, for both are essential to the general welfare of Bandon.

Bandon Educational Club.

Because of the fact that the time for the regular meeting comes so close to the Christmas holidays, the executive committee of the club has fixed the time of the next meeting for Friday, Jan. 6th. The program for the meeting will be published later.

Infant Passes Away.

Helen Katheryn, the little daughter of Mr. and Mrs. W. A. Sieman was seized with an attack of spinal meningitis about 11:00 o'clock Saturday morning, and although everything possible was done for the little one, it was to no avail, and she passed into the great beyond about 5:30 Saturday evening.

The funeral was conducted from the home Sunday afternoon by Rev. H. L. Grafious, pastor of the M. E. church.

Mr. and Mrs. Sieman will have the sincere sympathy of a large circle of friends in this time of great bereavement.

When you have a cold get a bottle of Chamberlain's Cough Remedy. It will soon fix you up all right and will ward off any tendency toward pneumonia. This remedy contains no opium or other narcotic and may be given as confidently to a baby as to an adult. Sold by C. Y. Lowe.

many saying they would not miss the next excursion trip with the B. H. S. for anything.

The boat left promptly at 4 and made the through trip, arriving in Coquille about 7. There were a large number of people expecting to get aboard at various landings along the river, but the "Coquille" had to keep plodding along in order to arrive in time for the game to be on time, and those along the river had no reason to be disappointed as she was advertised to be a through boat and was chartered for that purpose.

Owls Attention!

The regular annual election of officers of Bandon Nest, No. 1091. Order of Owls, will be held Tuesday evening, December 20th. A full attendance is desired.

Card of Thanks.

Mr. and Mrs. W. A. Sieman wish to express their deep sense of appreciation for the many kind words and acts done for them in their hour of sorrow over the death of their child, Helen Katheryn, who passed away Saturday evening.

For Sale.

Lots 21 and 22, Block 6, Azalea Park. Will sell for cash or partial payments or trade for Marshfield real estate.

North Fork Not To Be Improved.

Washington, Dec 12.—The War Department has reported adversely on three Oregon projects, as follows: Oregon slough, located below Portland; the north and east forks of the Coquille River, and the Umpqua River from Seaside to Roseburg.

District Engineer Morrow reported on them that the commercial advantages to be gained would not justify the expenditure of the money necessary to carry out the projects. The adverse report means that the Oregon delegation will be unable to get appropriations for these purposes.

When your feet are wet and cold and your body chilled through and through from exposure, take a big dose of Chamberlain's Cough Remedy, bathe your feet in hot water before going to bed, and you are almost certain to ward off a severe cold. For sale by C. Y. Lowe.

HARRIMAN BEATS HILL TO COOS BAY

Southern Pacific Has Expended \$3,000,000 in Building Tracks to Ocean.

The Southern Pacific company has expended \$3,000,000 in railroad building to Coos Bay, and will add to that another \$2,000,000, said Judge J. W. Bennett, of Marshfield, while in Portland yesterday. This amount includes \$1,000,000 that has been expended in work between Drain and Marshfield and Myrtle Point.

"A party of 27 Southern Pacific surveyors are surveying for a line between Eugene and the Umpqua, which is to come to Coos Bay by the Drain route," said Judge Bennett. "The sum of \$150,000 is being spent on a new slope in the Beaver Hill mines. The railroad steamship Breakwater is now bringing 500 tons of Beaver Hill coal a month to Portland."

"Last summer five prominent Southern Pacific officials came up the coast from Eureka, Cal., in automobiles, to study railroad possibilities. Recently C. J. Millis, local manager of the Southern Pacific, came from San Francisco to Coos Bay and while there said that the prospects for a railroad to Coos Bay were better than ever before. The incentive for all this activity is said to be the purchase by James J. Hill of the electric line between Portland and Salem, which he proposes to extend to Eugene and perhaps to San Francisco. Recent moves seem to indicate the desire of Harriman people to occupy this country before Hill gets there."

"At the recent meeting of the Oregon Development League, the conservative T. B. Wilcox quoted James J. Hill as saying in substance, last June, that the next five years would witness Oregon's greatest railroad development, and that there will be more railroad development by our lines in Oregon during the coming year than in any other state of the union except Montana."

Bear Creek Orchard Sells for \$300,000.

Medford, Oregon, Dec. 12.—The Bear Creek orchards, one of the finest orchard tracts in the Rogue River Valley, was sold today to Samuel Rosenberg, of Seattle. The consideration is in the neighborhood of \$300,000.

The orchard contains 237 acres, all of which is planted to fruit, about 175 acres in pears, and the rest in apples. The price per acre averaged better than \$1200. The sale was made through John D. Olwell, for a syndicate composed of Messrs Wistler, Olwell, Clark and Myers.

Mr. Rosenberg is a prominent merchant and hotel keeper of Seattle.

The quicker a cold is gotten rid of the less the danger from pneumonia and other serious diseases Mr. C. W. L. Hall, of Waverly, Va., says: "I firmly believe Chamberlain's Cough Remedy to be absolutely the best preparation on the market for colds. I have recommended it to my friends and they all agree with me." For sale by C. Y. Lowe.

BOATS ARRIVE AND DEPART

Shipping Business from this Port Continues Very Brisk.

The Arcata sailed yesterday morning for San Francisco with a full cargo of coal from the Gage mine at Riverton.

The Elizabeth sailed this morning with 320,000 feet of lumber. 65 bundles broom handles, 8 bales woolens, 4 cases woolens, 10 tons merchandise, 200,000 shingles, 81 cases cheese and a ton of butter. She also carried the following passengers: C. I. Green, wife and four children, F. S. Perry and wife, W. G. Klock and wife, J. M. Galey, E. C. Cortelyou, A. A. Seng, R. H. Williams and wife, Henry Williams, S. C. Irwin, J. F. Toleman, S. Herman, H. Smith, W. Smith, F. T. Crewe, W. J. Leonard, Mrs. Will Elliott, Mrs. J. Peck, R. H. Rosa, C. Huffman and T. Thenkham.

The Fifield leaves San Francisco for Bandon this evening and will sail from here again Sunday. The Bandon is also due here about tomorrow or next day.

High School Notes.

The excursion to Coquille proved to be a success financially, and the game of basket ball was very enthusiastic. The result was in favor of the B. H. S. girls and the C. H. S. boys; but as this was only a pre-schedule game with Coquille it will not count in the regular league games which will begin about Jan. 6th. Coquille will play us the return game Dec. 23rd in the Oriental Hall. We understand they intend to charter a boat and bring down a big crowd, and we are sure of a large attendance from all those who are lovers of clean athletics and are interested in our welfare.

The B. H. S. Literary Program for next Friday, Dec. 16th, will be: Basket Ball Song,

to tune "Rings on my Fingers" Dramatic Rec. Josephine Stoltz Vocal Duet, Carl Bowman and Ernest Watkins Reading, Thos. Laird Song, "The man who has the coin" Recitation, Velma Klepfer Reading, Edmund Gallier Instrumental Solo,

Marguerite Haberly Recitation, Eleanor Turvey Song, "Wake up, it's six o'clock"

There will be an election of new officers to serve for the next term of 3 months. Everybody is welcome to come and we will do our best to give you good entertainment for an hour. High School Auditorium, 7:30 p. m., Friday, Dec. 16th.

Miss Bessie Jensen, who has been attending school at Marshfield, entered our ever increasing High School yesterday. She is in the Freshman Class.

The new police officials for the 4th school month beginning yesterday are: Eldon Langlois and Josephine Stoltz of the Freshman class, Ernest Watkins and Katherine Nay of the Sophomore, Carl Bowman and Zettie Gibson of the Juniors, Earl Watkins and Erma Craine of the Seniors. Our city school government is a great success and to go back to the old form would be out of the question with us and the faculty as long as the standard which has been set is kept up.

See or phone L. J. Radley for all kinds of Fire Wood. 27-1f
