He received enough to plant about three-fourths of an acre, but it is his intention to plant three acres this spring. The remainder of the plants he will get from Wisconsin, but they will not come until some time in April, as it is impossible to drain the water off the marshes in Wisconsin until the latter part of March or first of April.

Quick Time to Portland.

The Coos Bay Times recently told of a hurry up trip to Portland which was recently taken by some Bay people who made the trip in 24 hours, but Bandon has that time skinned to a city block. Last fall, when the K. of P. Grand Lodge was held in Portland, Albert Garfield, Harry Morrison and John Shields left here at 8:30 in the morning in Garfield's automobile, made the trip to Roseburg and Morrison and Shields caught a train from Roseburg which arrived in Portland at 4:30 the next morning, thus making the trip in twenty hours, and even at that they laid over in Roseburg several hours. It might be added that Mr. Garfield will put on a still better service than that with his machine this summer.

C. M. Skeels Stricken.

C. M. Skeels, father of Mrs. Chas. Lorenz, was found dead in bed at his home in Coquille yesterday morning. Mr. Skeels was in his usual good health when he retired Sunday evening, but when the family went to call him in the morning it was found that he had passed away some time during the night, presumably as the result of heart failure.

The Lorenz family is at Coquille and up to the time of going to press we are unable to get many of the particulars but hope to publish a full account next Friday.

Junior Reception to High School

The class of '12 proved most excellent entertainers last Saturday night, when they gave the high school an elaborate reception and banquet. The Juniors departed from the usual method of entertaining by playing various games etc., and had an entirely new and original program.

The guests were all supposed to be applicants for entrance into the "Good Time College".

At 8:00 p. m. when the gong sounded the applicants were ushered into the Dean's office and passed the Exam. in order to decide which class they should enter. This examination and the class organization which followed were very unique and pleasing features. Then the president gave an address of welcome, which was full of feigned egotism and conceit for himself and college. At 9:00 p. m. "history recitation" which was a series of history conundrums, then a series of recitations and athletic sports followed after which students of the college were ushered into the "Grubski Cafe" which was artistically decorated with Oregon grape and various college pennants, and the tables loaded with good things to eat.

The menu was served in courses, and consisted of those that go to make up a swell banquet. After a few impromptu toasts the jolly crowd left about midnight declaring they had enjoyed the time of their lives.

The Riverton hotel will soon be vacated again as Mr. McDonald and family will be compelled to move on account of Mrs. McDonald's health. They were doing well and liked the place, so it is very bad for them as they recently came from Montana. They will now sell out everything at half price. This is a splendid opportunity for some family wishing to run a boarding or rooming house.

Rev. Lyons held services here Saturday night and Sunday last.
