**Report That Contract Has
Been Let for 130 Miles
From Eugene Here**

The first railroad rumor of importance in several days reached here yesterday in the shape of a quotation from The Contractor, a Kansas City publication, that a Kansas City firm had been awarded the contract for building 130 miles of road from Eugene to Coos Bay. No further particulars were given and there is a disposition to question its accuracy unless something has been secretly pulled off in the railroad world and a new company is behind the project.

However, there is another story that partly substantiates it and that is that the Southern Pacific has chosen the Eugene route to build to Coos Bay when it does construct a line. A few weeks ago an apparently authentic report reached here that the Southern Pacific had decided to retain the Drain route as against the Eugene route. However, later reports indicate this was erroneous. It is stated on almost unquestioned authority that the Eugene route has been approved by Chief Engineer Hood and his recommendations for that route have been forwarded to the New York officials of the company. This recommendation went forward about three weeks ago that is to say the directors for an appropriation for its construction, but this appropriation is not expected before the July budget is announced.

Further confirmation of the selection of the Eugene route reached here yesterday when Joe Schilling who came from Gardiner, stated that he had been reliably informed that men had been sent to Drain for the removal of the last of the supplies laid in there when the road was first started.—Coos Bay Times.

**Special Musical Program at
the Grand Saturday and
Sunday Nights**

In connection with the high class motion pictures to be shown at this theatre on Saturday and Sunday nights, the Grand Orchestra, consisting of six pieces, have prepared special programs for each night. On Saturday night will be featured the most popular rag time hits of the day and lovers of such catchy numbers as "Chicken Reel," "Grisly Bear," "New York," "Black and White" and "Russian Pony" should not fail to be on hand early. On Sunday night will be featured the new and popular Foot Ball March entitled "On Wisconsin," also the following new hits by Lincke, "Unawares" and "Fireflies" both companion pieces to the ever popular "Glow Worm." The Orchestra will open with a rousing Overture, promptly at 7:30 p. m.

Appointed Interne.

R. V. Leep, son of Dr. K. A. Leep of this city, has the honor of leading his class in scholarship in the medical college of the University of Oregon at Portland, from which institution he graduates this spring. Mr. Leep won, by competitive examination, an appointment as interne in St. Vincent's hospital at Portland, and will assume his duties immediately after his graduation.—Coquille Herald.

**DUFFY AND BROWN
GIVEN PAROLES**

**Both Men are Released on
Good Behavior, But Must
Stay in County**

Joe Duffy, the man who was arrested for robbery in Bandon last winter, entered a plea of guilty in Judge Coke's court last Tuesday. He was sentenced to five years imprisonment, and was released on parole during good behavior. He will have to remain in Coos county and report monthly to the court.

"Ray Brown," the mysterious forger who passed bogus checks on the Hub Clothing and Shoe Co. of Bandon and Marshfield, was also convicted, and is also out on parole during good behavior. Brown has gone to work and says he will pay back the amount of checks forged.

The jury brought in a verdict of not guilty in the case of the State vs Crowley, who was arrested for knocking out a horse's eye. He claimed the animal bit him and he struck it and accidentally knocked out the eye in administering the punishment.

**OREGON LAND SHOW
BEING PLANNED**

**Forest Fire Fighting To Be
Started at Once. Other
News.**

Portland, Or., April 25. (Special)—Plans for an Oregon land show, to be held next March, are now being developed by the Portland Commercial Club. Manager Chapman believes the scheme would prove the best possible means of interesting colonists who reach Oregon at that time.

Exhibits would be gathered from all the orchard districts of the state and the exhibits would be not particularly fruits but of the land itself and how it is cultivated, giving the prospective settler an object lesson in the care of the land and the successful methods of tillage.

It is thought the show will be participated in generally by the whole state and will give each section an opportunity to display its advantages. Such an exposition would not only bring settlers but would also educate those already here and influence town people to settle in the rural districts.

It is not too early to start the annual fight against the usual timber loss, believes the Oregon Forest Fire Association, for this organization is in the field lining up timber owners to patrol their holdings during the dry season, seeking a more rigid enforcement of the law and cooperating generally in the good work. This association points out that 80 per cent of the value of the timber goes for labor and materials, thus giving the entire population a direct interest in preventing its destruction.

The Salem Board of Trade has arranged a unique boost for that city. Pastors of the local churches have been induced to devote one day to preaching the attractions of Salem and the first Sunday in May has been selected for the booster sermons.

The sixty eighth anniversary of the organization of the first civil government on American soil west of the Rocky mountains will be celebrated at Champeog on May 2. This is an interesting historical observance participated in by the pioneers who made the early history of the Oregon country. The Oregon Pioneer Association will have charge of the exercises. Many will attend from Portland, and other Western cities will send delegations.

Baxter Re-opened

J. F. Steinman and wife arrived here on the Fifield last week from San Francisco and re-opened the Baxter hotel this week. Mr. and Mrs. Steinman are experienced hotel people, having been in business in Sacramento for a number of years. It is planned to open the dining room next Monday. Extensive changes are being made in the way of new furniture and carpets in the hallways and rooms, and Mr. Steinman intends to make a first class hotel of the Baxter.—Coquille Herald.

**WILL PUT IN
WATER MAIN**

**Fire Protection Will Be Pro-
vided as Soon as Pos-
sible**

At a special meeting of the city council last night it was decided to put in a six inch main to be attached to the pump of the Geo. W. Moore Lumber Co. and to extend the full length of First St, for fire protection in the business district, and the fire committee was instructed to take immediate steps toward providing means for the same.

The council also ordered all hydrants on the hill that had been taken out to be replaced.

It was also decided to readvertise for bids for the grading of Spruce street as the former bidders did not accept the terms of the contract presented to them.

**President Taft Will Probably
Attend.**

President Taft has announced that if the federal Congress does not remain over long in extraordinary session he will attend the Northwest Development Congress, a federation of the principal commercial bodies of Washington, Oregon, Idaho, Montana, Wyoming and Alaska, which is to hold its first session in Seattle from September 5th to 9th of the present year.

The belief is also expressed by President J. W. Maxwell of the Seattle Commercial Club and others having in charge the arrangements for the Congress that, at the meeting of representatives of the commercial bodies of the seven Northwest States called by Governor Norris of Montana and to be held at Helena on May 5th, details will be worked out, whereby the Congress and the land show, which it is proposed to hold in St. Paul in December, will be made integral and continuing parts of a general plan for the exploitation of the resources and opportunities of the Northwest.

It is being strongly urged that, under the direction of the Northwest Development League, which it is proposed to form at Helena, a Congress be held in September of each year in one of the chief cities of Washington, Oregon or Montana, and a land show in St. Paul the following December. It is pointed out that the Congress would quicken interest in the land show, while the land show would admirably supplement the Congress, and the two would work together in a most telling way for the growth and upbuilding of the entire Northwest.

It is confidently predicted by those most interested in the Development Congress that some plan substantially in accord with the foregoing will be adopted at the Helena meeting.

Bourne Wins Out.

Washington, D. C., April 24.—Senator Jonathan Bourne, Jr., one of the progressive republicans of the Senate Committee on Committees, will be chairman of the Committee on Postoffices and Post Roads.

**LOCATION FOR CHURCH
NOT YET SECURED**

**Will Decide on Place During
The Present
Week**

"Good things take time" The general public should know that the delay in action on the part of the Presbyterian church officary is due to the fact that no location has been settled upon as yet. This matter will be over this week and in a few more days something tangible will be on hand.

In the meantime let us not forget the project nor allow ourselves to become discouraged with our task. If you are really anxious to know the feeling of the congregation, visit us next Sunday at the old school house. H. C. H.

Death of Mrs. Lester Jenkins.

Mrs. Lester Jenkins, formerly Miss Jennie Wynona Patterson, died in Portland last Tuesday morning.

Mrs. Jenkins was born in Santa Ana, Calif., eighteen years ago, and moved to Coos county with her parents about thirteen years ago. She was married to Lester Jenkins in Portland Jan. 8, 1911. The remains were brought to Bandon for burial and the funeral was conducted at the Methodist church this afternoon, being in charge of Rev. H. C. Hartman. Deceased had been a member of the Presbyterian church for the past five years.

The sorrowing relatives and especially the young husband, will have the sincere sympathy of a large circle of friends.
