

BANDON HIGH

WINS TRACK MEET

Gets First in Every Event
But One in County
Field Meet

With flying colors the Bandon high school boys again proved their superiority in athletic sports by winning the track meet at Marshfield last Friday. Bandon took first place in ten out of eleven events, scoring 52 points as against 31 for North Bend and 16 for Coquille. Marshfield and Myrtle Point were not represented in the meet.

The meet was a success in every particular, although there would probably have been some better records made had the weather been more favorable.

Although Marshfield did not have a team enter, yet the Marshfield people contributed everything possible to make the event a success and gave the visitors a big reception in the evening.

Bandon had an easy time in winning first in all ten of her events, and won the relay in one of the prettiest races that has ever been seen in Coos county.

Following is a summary of the events:

100 yard dash—Gallier, Bandon, Newkirk of North Bend, Hodson of North Bend. Time given as 11 1/2 seconds, but not officially.

Pole vault—Laird of Bandon, Dewey of North Bend, Gay of North Bend. Height 9 feet.

220 yard dash—Gallier of Bandon, Newkirk of North Bend, Hodson of North Bend. Time 25 1/2 seconds.

Shot-put—Bowman of Bandon, Kern of Coquille, Hodson of North Bend. Distance 37 feet 10 inches.

1 mile run—Tom Laird of Bandon, Roy Laird of Coquille, Smith of North Bend. Time 5:28 2-5.

440 dash—Bowman of Bandon, Newkirk of North Bend, Watkins of Bandon. Time 58 2-5.

Running broad jump—Hodson of North Bend, Knowlton of Coquille, Gallier of Bandon. Distance 17 feet 9 1/2 inches.

Standing broad jump—Laird of Bandon, Van Zile of North Bend, Hodson of North Bend. Distance 9 feet 4 inches.

High jump—Laird of Bandon, Knowlton of Coquille, Gay of North Bend. Height 4 feet 11 inches.

880 yard dash—Bowman of Bandon, Roy Laird of Coquille, Smith of North Bend. Time 2:35.

1 mile relay—Bandon team consisting of T. Laird, Bowman, E. Gallier and E. Watkins; North Bend team consisting of Kibbler, Van Zile, Hodson and Newkirk; Coquille team consisting of Kerrigan, Knowlton, R. Laird and Custer. Won by Bandon, North Bend second and Coquille third.

Officials—R. Hewitt, starter and referee; Mullen, starter; O. Knowlton, Moore and Professor Tiedgen, judges of finish. Timekeepers—Professors Hockett, Ostien and Beaumont.

E. D. Webb and wife arrived on the Elizabeth last Friday from Creston, Iowa. Mr. Webb has accepted a position in the First National Bank. He has had several years' experience in the banking business and was deputy county treasurer of one of the largest counties of Iowa for some time. His experience along these lines will make him a valuable acquisition to the First National Bank, which institution has already won a high standing in the community.

BUY "MADE IN
OREGON" GOODSHelp to Build Up Home In-
stitutions by Using Home
Made Goods

The multiplicity and diversity of products made in Oregon are not as well known to the average resident, or business man, for that matter, as they should be. Here in Oregon we manufacture perhaps ninety per cent of the average requirements of our citizens, but comparatively few realize the fact.

"Made in Oregon" should be the slogan of every citizen. Every dollar spent for home goods remains at home, and the spender gets back at least a portion of his money in one way or another every time he buys a "Made in Oregon" product.

Oregon is destined to be one of the great manufacturing states in the Union, but the time it will require for her to be in the foremost rank of manufacturing states, would greatly be shortened if our people would make it a portion of their daily duties first to inquire if the goods they are buying are "Made in Oregon."

We have factories in this state which today are struggling for existence, and which would be running along smoothly, employing many more men and women if each man, woman and child in the state would insist on having the home product. It is not asked that our people buy "Made in Oregon" goods in preference to goods made elsewhere, unless the home product is equal in quality, appearance and price to the same goods made elsewhere. But even the casual investigation of our citizens will show that our manufacturing in most lines are turning out goods today the equal of any in the country, and the Manufacturers' Association only asks that when such goods are offered that they be given the preference.

This leads to another important phase of this question.

The support of home industry is the duty of every citizen. We live by the interchange of trade. There is small need indeed for the people of Oregon to go outside their state for the everyday requirements of life, and if the Oregon people would insist on "Made in Oregon" goods being sold them, retail dealers everywhere would keep up their stock to meet the demands of their trade.

Cities and states are built up by the pay-rolls within the state. Property values are kept up by the pay-rolls of the factories. Farm values are kept up by the demands for farm products from the cities, the manufacturing centers. The whole problem is one which even casually studied will prove to any citizen and to every man, woman and child within the state that his support of "Made in Oregon" goods means that his own prosperity will be greater. It is a "wheel within a wheel" proposition. Insist on "Made in Oregon" goods.

The factories are the life of our cities. The more factories we have, the more people are employed, and greater becomes the prosperity not only of the cities, but of the rural districts, for the factory supported cities must depend upon the agricultural districts for their food supplies, and largely for their raw products. The home manufacturers depend upon the people and the people depend upon the home manufacturers.

The consistent support of home industries and the persistent demand for "Made in Oregon" goods means increased pay-rolls, which in turn

Surprised the Masons

Bandon Lodge, No. 130 A. F. and A. M. held their regular meeting last Saturday evening and had work in two or three degrees. A large number of the members were present, but these features were not the big events of the evening, but the one that stands out preeminent above all others is the fact that the ladies of the Eastern Star made an invasion of the premises about midnight and compelled the Masons to surrender, which they did with but little resistance, and the ladies continued their surprises by setting one of the finest spreads in the history of Bandon before them. It is said that the key to a man's heart is his stomach, and the ladies succeeded so thoroughly in this case that they have the everlasting gratitude of every man present and "they all ate and were filled" and there were at least twelve baskets full of the fragments.

The Masons were exceedingly delighted and say they hope the "Stars" will visit them often.

Debating Team Go To
Grants Pass

The Bandon High School debating team composed of Earl Watkins, Harry Crain and Thos. Laird left Saturday for Grants Pass where they will debate the high school of that city for the inter district championship of all southern Oregon, and if they win this they will then debate the winners of the northern district for the championship of the state. The Bandon team has their subject well in hand and will surely give a good account of themselves.

The question for debate is "Resolved, that national conservation of resources is preferable to state conservation," and Bandon has the affirmative. The debate will take place this evening.

Teachers and Patrons Meet-
ing.

The last teachers and patrons meeting of the Bandon Educational Club will be held at the school house next Friday night and will be in the nature of a social affair, and light refreshments will be served. There will also be a few musical numbers but no other program.

J. T. Chellis, wife and daughter left on the Elizabeth and will make a trip to Michigan to visit friends, after which they will return to California to live.

HAVE SECURED
SITE FOR CHURCHPresbyterians Will Build on
Corner of Coquille Ave.
and Spruce St.

After a long time we have succeeded in making some definite arrangement as to the location of the new church. The board decided to build on the corner of Coquille avenue and Spruce street, on a part of the plot which belongs to Rev. Wm. Horsfall.

Since this part of the work is settled we are in hopes to have plans on file in about ten days, when we will be prepared to do more active work on the enterprise.

Interest is running very high in the congregation and is showing itself in the manner in which the various departments are bringing in the money which they subscribed toward the project. That they will be well repaid for their enthusiasm we have no doubt since the structure will be a very handsome one and the most beautiful in Bandon. If you are not pushing take hold and begin.

On the 24th of May the Hurry Up Bible class will give a musical for the benefit of the building fund of the church. A treat is in store for all who will come and we are sure that every one will get their money's worth. Be sure and do not forget the date. H. C. H.

At The Grand To-night 4000
