PERT PARAGRAPHS.

PEOPLE who sing because they want to are powerful factors in cultivating self restraint in their hearers.

Some people are so exceedingly moral it makes you want to be bad just to even things up.

A man with a grrouch is a sort of self propelling wet blanket.

Opportunity laughs at some of us and plays tag with others.

The man who knows enough to keep still has the rest of us guessing.

Don't give advice for fear you may be called upon later to minister to the victims.

A girl's idea of a hero is a man with long eyelashes and a curly black mustache.

Luck is a good thing to have, but you are lucky if you can hitch up with it.

One way to discourage gossip is to keep on good terms, but not too good, with your neighbors.

The world's all right to a man who is on good terms with himself.

The Answer.
When does the honeymoon come to an end? That was through all of the years to extend?

What is the sign by which experts may read BILLING and cooling have slackened their speed?
That the new mate? Really are sated?
Here is the truly infallible way— When he quits shaving his beard every day.

When it takes twenty-four hours for a kiss
In the first flush of exuberant bliss, Souls of one thought and two heads with one mind,
Then does the barber his harvest time find.
There is no stubble
Left to cause trouble.
He is her abject, obedient slave.
Least he can do every day is to shave.
But as the days run along and they find Business and household concerns on their mind
Down to his office some morn he escapes, Leaving his whiskers to do without scrapes.
Sandpaper dressing
Has his caressing
When he comes home from his labors at night,
End of the honeymoon then is in sight.
Of her objections she makes no disguise,
"Never again!" is the way he replies,
But in a week he forgets what he said— Goes off again with his whiskers unshined,
Unless complaining.
Honey-moon's warning,
May be annoying, but he doesn't care.
When she quits minding the end is right there.

Unfailing.
"What do you regard as an unfailing sign of spring?"
"Unfailing?"
"Yes."
"When mother announces that these are absolutely the last buckwheat cakes we will get until next winter."

Her Toilet.
"Why doesn't she go out more?"
"She doesn't have time."
"Why, what has she to do but get ready and go out?"
"But, you see, getting ready to go out is a continuous performance with her."

Showed Stability.
"How old are you?"
"Twenty."
"Are you, indeed?"
"Fact."
"How long have you been twenty?"

Flying No False Colors.
"Do be patient."
"I will not."
"But why?"
"People might think I like the present condition of things."

Wise.

"He always flatters a girl."
"Of course."
"Why of course?"
"Because that's the only way to get her to listen."

Silenced.
She came into my room, and yet I heard no swish of petticoat— No, for as true as I'm a goat She wore the new style trowssetette.

Muddled.
"What is the matter?" asked the customer of the grocer who was fussing about.
"I have lost my weigh."

Doesn't Like It.
"She carries her age well."
"Yes, but she wishes she could carry it to the well and dump it in."

At the Best.

Reapin' or sowin',

Takin' all the country at its best,

Still to reach the "rainin'"
