Pitman, Dale, Tex., says: "I was down in bed for four months with kidney and bladder trouble and gall stones. One bottle of Foley's Kidney Remedy cured me well and sound." Ask for it. Jno. Castile, a pioneer mining prospector of Colorado, was in town for a few days last week looking over some mining properties in this section. He has in his possession a specimen of silver ore which will assay approximately \$24,000 per ton. It is almost virgin silver and is the richest specimen heretofore found in this locality. He refuses to state where his pay streak is located, but insists that there is a plentiful supply where that came from. — Coquille Sentinel.

Kill More Than Wild Beasts

The number of people killed yearly by wild beasts don't approach the vast number killed by disease germs. No life is safe from their attacks. They're in air, water, dust, even food. But grand protection is afforded by Electric Bitters which destroy and expel these deadly disease germs from the system. That's why chills, fever and ague, all malarial and many blood diseases yield promptly to this wonderful blood purifier. Try them, and enjoy the glorious health and new strength they'll give you. Money back if not satisfied. Only 50c at all druggists.
