Bandon, July 31, 1911.

To my friends I wish to say that I have just called on Drs. Gray, the painless dentists, now at the Hotel Gallier and took the vitalized air and had a badly decayed and ulcerated tooth extracted. I can truthfully say I felt no pain at all and no bad effects whatever from the operation, and I can not recommend the doctors too highly, as they do exactly as they claim and I would advise everyone to call on them.
