The Best Separator Today is the

U. S. Cream Separator

You do not care who invented the cream separator—or which separator was first in the field. You want to know which is the best separator today—which is the most improved. The United States Separator has demonstrated its absolute and complete superiority over all other separators. It holds the World's Record for closest skimming. It was awarded the only Grand Prize at Seattle, 1909. Don't buy any separator until you have asked us about the United States. Better ask TODAY.

James C. Dahlman, "Cowboy" Mayor of Omaha, "Throws the Lariat."

Mayor J. C. Dahlman started his career as a cowboy, and is at present Mayor of Omaha, and has the following record: Sheriff of Dawes Co., Neb., three terms; Mayor of Chadron, two terms; Democratic Nat'l Committeeman, eight years; Mayor of Omaha, six years, and in 1910 candidate for Governor of Nebraska. Writing to Foley & Co., Chicago, he says: "I have taken Foley Kidney Pills and they have given me a great deal of relief so I cheerfully recommend them." Yours truly, (signed) James C. Dahlman. Bandon Drug Co.

Chief Sufferer in the Duel.

The cost of duels is dwelt upon by Aurelien Scholl in his reminiscences. He tells of the elaborate preparations made for a hostile encounter between two journalists whom he knew. One of them borrowed £20 from Scholl to meet his share of the expenses. This sum was never returned. "After ten minutes' perfunctory fencing," he adds, "the principals embraced each other, and both left the ground without a scratch. I was the only man hit."

Gives Aid to Strikers.

Sometimes liver, kidneys and bowels seem to go on a strike and refuse to work right. Then you need those pleasant little strike-breakers—Dr. King's New Life Pills—to give them natural aid and gently compel proper action. Excellent health soon follows. Try them. 25c at all druggists.

Shut In Paraguay.

Paraguay is shut in on the west, north and east by hundreds of miles of thick, almost uninhabited forest country. On the south the greater part of the outlet is barred by swampy land, practically without population. From the day of its discovery to the present time the country has had only one artery of exit and entrance, the Parana river.

It's Equal Don't Exist.

No one has ever made a salve, ointment or balm to compare with Bucklen's Arnica Salve. It's the one perfect healer of Cuts, Corns, Burns, Bruises, Sores, Scalds, Boils, Ulcers, Eczema, Salt Rheum. For Sore Eyes, Cold Sores, Chapped Hands or Sprains, its supreme. Unrivalled for Piles. Try it. Only 25c at all druggists.

Carved by Giants of the Past.

The strange stone carvings on Easter Island are one of the mysteries of the world. They range in size from a colossal seventy feet in height to a pigmy standing three feet. There are 555 of them. The theory has been advanced that they were made by the race of wicked giants mentioned in Genesis, for whose punishment the flood was brought about.

You are not experimenting on yourself when you take Chamberlain's Cough Remedy for a cold as that preparation has won its great reputation and extensive sale by its remarkable cures of colds, and can always be depended upon. It is equally valuable for adults and children and may be given to young children with implicit confidence as it contains no harmful drug. Sold by C. Y. Lowe.

Rivers in Korea.

On the western coast of Korea the tides of the Yellow sea are higher than anywhere in the world outside the bay of Fundy, and while the rivers of eastern Korea are clear streams, those on the western side are great brown, muddy rivers, up which the thirty foot ocean tides surge many miles.

Don't trifle with a cold is good advice for prudent men and women. It may be vital in the case of a child. There is nothing better than Chamberlain's Cough Remedy for coughs and colds in children. It is safe and sure. For sale by C. Y. Lowe.

Companions.

We want one or two companions of intelligence, probity and grace, to wear out life with—persons by whom we can measure ourselves and who shall hold us fast to good sense and virtue.—Emerson.

Biliousness is due to a disordered condition of the stomach. Chamberlain's Tablets are essentially a stomach medicine, intended especially to act on that organ; to cleanse it, strengthen it, tone and invigorate it, to regulate the liver and to banish biliousness positively and effectually. For sale by C. Y. Lowe.

Averts Awful Tragedy.

Timely advice given Mrs. C. W. Loughby, of Marengo, Wis., (R. No. 1) prevented a dreadful tragedy and saved two lives. Doctors had said her frightful cough was a "consumption" cough and could do little to help her. After many remedies failed, her aunt urged her to take Dr. King's New Discovery. "I have been using it for some time," she wrote "and the awful cough has almost gone. It also saved my little boy when taken with a severe bronchial trouble." This matchless medicine has no equal for throat and lung troubles. Price 50c and \$1.00. Trial bottle free. Guaranteed by all druggists.

Novel Funeral Instructions.

Curious instructions as to the manner of her burying were left behind by an old lady at Stockport, England. Her funeral, she directed, should be attended by six of the best horsed coaches Stockport could provide, and another direction was that after the interment the funeral party should repair to the best Tory hostelry in Oldham, there to be served with the best repast the house could afford, which was to be supplied by a Tory landlord and served by Tory waiters.—London Telegraph.

Is the World Growing Better?

Many things go to prove that it is. The way thousands are trying to help others is proof. Among them is Mrs. W. W. Gould, of Pittsfield, N. H. Finding good health by taking Electric Bitters, she now advises other sufferers, everywhere, to take them. "For years I suffered with stomach and kidney trouble," she writes. "Every medicine I used failed till I took Electric Bitters. But this great remedy helped me wonderfully." They'll help any woman. Try them. You'll see. 50c at all druggists.

Not What She Needed Most.

"I am sending you a thousand kisses," he wrote to his fair young wife, who was spending her first month away from him. Two days later he received the following telegram: "Kisses received. Landlord refuses to accept any of them on account." Then he woke up and forwarded a check.—Chicago Record-Herald.

Must Shave or Be Fined.

It is in the contract of every male member of the chorus at Covent Garden, London, that he must shave—or be shaved—once a day. For this purpose an allowance is made to him of 36 cents weekly. The face of each one is carefully examined every night, and if there are signs of a "growth" 5 cents is "docked" off the allowance.

Neuralgia of the face, shoulder, hands, or feet requires a powerful remedy that will penetrate the flesh. Ballard's Snow Liniment possesses that power. Rubbed in where the pain is felt is all that is necessary to relieve suffering and restore normal conditions. Price 25c. 50c and \$1.00 per bottle. Sold by C. Y. Lowe.

A Long Burning Fire.

At the Chequers inn at Slapstones, near Osmotherly, England, is a fire which for more than a century has never been allowed to go out. The place is a quaint little building, to which many visitors resort on account of its never extinguished fire and the turf cakes baked upon its hearth. It has been kept by members of one family for over a hundred years.

After exposure, and when you feel a cold coming on, take Foley's Honey and Tar Compound. It checks and relieves. Use no substitute. The genuine in a yellow package always. Bandon Drug Co.

Mean Man.

"Does your husband turn his salary over to you?" "Yes," she sadly replied. "Then why are you so downhearted?" "Oh, it doesn't do any good. He often makes a few dollars extra, which he spends for his own pleasure without letting me know about it."—Chicago Record-Herald.

Lame back is one of the most common forms of muscular rheumatism. A few applications of Chamberlain's Liniment will give relief. For sale by C. Y. Lowe.
