Try it for a while and see the milk money grow. Try it on the horse, too. It will improve both his condition and value.

Starts Much Trouble.

Well, Maine is to remain prohibition, after all. They have finally finished counting the votes cast in the September special election and the "drys" have come off victorious with a majority of 366. It is probable that the wets' may take the matter into the courts for final adjudication.

A story is told of a kind-hearted old Dutchman, beloved by his neighbors because he had a smile and a kind word for everyone. They delight to point out the typographical error in the paper, the false note in the song and the grammatical slip in the speaker's address.
