## Peace Is the Greatest Interest That World Powers Have to Consider

By Lord CHARLES BERESFORD, English Statesman

**P**EACE IS FOR THE WELFARE OF ALL AND IS THE GREATEST INTEREST THE POWERS OF THE WORLD HAVE TO CONSIDER.

The idea of a coming war in Europe is ridiculous. Diplomacy will always prevail to prevent such a thing.

But even without diplomacy peace will be maintained in Europe as long as BIG NAVIES CONTINUE TO EXIST. It is all right to talk peace and universal arbitration, but a DEFENSIVE FORCE both on land and sea must be maintained by all nations in order to BETTER INSURE THE SUCCESS OF PEACE.

## Humor and Philosophy

By DUNCAN M. SMITH

### THE ORIGINAL DOCTOR.

NATURE is a wonder worker. You can see that at a glance. It will cure most any ailment. If you give it half a chance. Corns and bunions, mumps or measles. Not on one the line it draws. It will chase them in a hurry. If you will remove the cause. Though the doctor may assist it With his small, impressive kit And prescribe one-half the drug store. Nothing doing minus it. It is long on air and sunshine. Very chary with the pill. And, the best of all the story, Nature never sends a bill.

You who have that tired feeling, All run down and out of whack, With your liver misbehaving, And a millstone on your back, Give the nature cure a trial. Put your business on the shelf. Walk ten miles or maybe twenty. And you will not know yourself. It is well to see the doctor. If the worst should come to worst, But you may depend on nature. If you let her treat you first. Following her regulations. When you eat or work or play, You can laugh at all diseases, Saying brusquely, "On your way!"

**Hard on Jones.**  
 "Jones must be away."  
 "No, he's in town."  
 "Why doesn't he join the rest of the fellows for his evening smoke?"  
 "He has got rid of his mother-in-law."  
 "Oh, he enjoys his smoke at home. I suppose."  
 "Not much. He has to put the baby to sleep while his wife washes the dishes."

**Pitiful.**  
 "Poor Mrs. Clymer!"  
 "What about her?"  
 "She considers her European trip a failure."  
 "Because she failed to find a duke for Maudie?"  
 "No, because she wasn't arrested for trying to smuggle in jewels."

**Some Responsibility.**  
 "Just himself and his wife alone, isn't it?"  
 "No, they have a cat, a canary, two dogs and a cow."  
 "I didn't suppose he was as much of a family man as that."

**Satisfied.**  
 "Say!"  
 "Yes."  
 "What would the funny man do if it didn't rain on picnic day?"  
 "You really want to know?"  
 "Sure."  
 "He'd still have the man who asks fool questions."

**Practical Use.**  
 "He understands all of the oriental mysticism."  
 "What good does that do him?"  
 "Why, he can cause a man to disappear before your very eyes."  
 "Can he work it on a bill collector?"

**Looking Ahead.**  
 "I'd like to murder that little brother of my sweetheart."  
 "Don't do it. Wait a few years and give another small boy a quarter to camp on his trail."

**Some Results.**  
 "What was the racket?"
