Saves Two Lives

"Neither my sister nor myself might be living today, if it had not been for Dr. King's New Discovery," writes A. D. McDonald of Fayetteville, N. C. R. F. D. No. 8, "for we both had frightful coughs that no other remedy could help. We were told my sister had consumption. She was very weak and had night sweats but your wonderful medicine completely cured us both. It's the best I ever used or heard of." For sore lungs, coughs, colds, hemorrhage, grippe, asthma, hay fever, croup, whooping cough—all bronchial troubles—its supreme. Trial bottle free, 50c and \$1.00. Guaranteed by all druggists.

Pleasing Occupation.

"Sisters made a pile of money in that gold mine of his, didn't they?" asked Willoughby.

"Yes; about five millions," said Hickenlooper.

"What's he doing now?" asked Willoughby.

"Oh, he's resting on his ore," said Hickenlooper.

It was upon presentation of the above under oath that the court acquitted Willoughby of assault and battery on the ground of extreme provocation.—Harper's Weekly.

The Danger of La Grippe

is its fatal tendency to pneumonia. To cure your la grippe coughs take Foley's Honey and Tar Compound. R. E. Fisher, Washington, Kansas, says: "I was troubled with a severe attack of la grippe that threatened pneumonia. A friend advised Foley's Honey and Tar Compound and I got relief after taking the first few doses. I took three bottles and my la grippe was cured." Get the genuine, in the yellow package. For sale by all dealers.

Unique Poor Farm.

Providence, R. I., owns the most valuable municipal poor farm in the world. It is in the center of one of the most fashionable residential districts of the city, and the property is valued at \$1,000,000. The farm is a bequest made by Ebenezer Dwight Dexter to the city in 1824, and none but those who once owned and paid taxes on real estate in Providence or whose father or mother was a real estate taxpayer in that city will be admitted to the farm.—Boston Globe.

Charles Durham, Lovington, Ill., has succeeded in finding a positive cure for bed wetting. "My little boy wet the bed every night clear through on the floor. I tried several kinds of kidney medicine and I was in the drug store looking for something different to help him when I heard of Foley Kidney Pills. After he had taken them two days we could see a change and when he had taken two thirds of a bottle he was cured. That is about six weeks ago and he has not wet in bed since." For sale by all dealers.

Easily Satisfied.

One day a farmer entered a hardware store and asked if he could exchange some butter for hardware. The humor of the thing appealed to the proprietor.

"Why, certainly," he said. "Take the butter right up to the house. 'My wife is not at all particular.'"

The farmer looked him over slowly and critically from head to foot and then drawled out: "Land o' Goshen! I should say not!"—Los Angeles Times.

Foley Honey and Tar Compound

is a reliable family medicine. Give it to your children, and take it yourself when you feel a cold coming on. It checks and cures coughs and colds and croup and prevents bronchitis and pneumonia. For sale by all dealers.

Vineyards of Paris.

Though it does not, of course, take very great proportions, Paris has an annual vintage season which cannot be entirely ignored. Many gardens of the French capital shelter fine vines, and some of these have quite a reputation. One of the best known of the city's miniature vineyards is that of the chamber of deputies. This was created in the reign of King Louis Philippe when vines were planted in the Aguesseau and Montesquieu courtyards of the Palais Bourbon. The Church of St. Louis has a very productive vineyard, and there is also a good yearly harvest in a garden close to the Sacre Coeur.—Paris Presse.

Do not allow your kidney and bladder trouble to develop beyond the reach of medicine. Take Foley Kidney Pills. They give quick results and stop irregularities with surprising promptness. For sale by all dealers.

Hoffman Leaves for California.

According to a pre-arranged plan Constable J. C. Brown went to the Ed. Hoffman place Friday and met Fred Hoffman as he came down the road. Fred said that he had no desire to do anything harmful, and admitted that it was probably best that he should not seek an asylum under his brother's roof. After the situation had been explained to him by the constable, he decided that it might be best for all concerned, if he should leave for some other part of the country. He expressed a desire to see his mother and was permitted to do so, the constable being present during the meeting. Afterward he came on to town with the officer and here his brother made it possible for him to make the trip into California. He therefore left on the afternoon train for the coast expecting to catch a boat for the south and begin life anew in some California point or elsewhere. This arrangement proved a happy solution of a perplexing problem for the Hoffman family and others as well.—Myrtle Point Enterprise.

Solves A Deep Mytery

"I want to thank you from the bottom of my heart," wrote C. B. Rader, of Lewisburg, W. Va., "for the wonderful double benefit I got from Electric Bitters, in curing me of both a severe case of stomach trouble and of rheumatism, from which I had been an almost helpless sufferer for ten years. It suited my case as though made just for me." For dyspepsia, indigestion, jaundice, and to rid the system of kidney poisons that cause rheumatism, Electric Bitters has no equal. Try them. Every bottle is guaranteed to satisfy. Only 50c at all druggists.
