Defying the Dictionary.

George Eliot and Horace Walpole introduced the strange word "greenh" in place of "greenery" into their writings. Shakespeare wrote "kist" and "drest" and is said to have signed his name in sixteen different ways, and Carlyle was fond of such terms as "sensiblist" and "pitiablest." Even Queen Victoria often spelled separate "seperate." Dickens introduced the most eccentric punctuation when writing "Pickwick." Jane Austen was very partial to the use of the word "exceedingly" when she obviously meant "exceedingly." and the critics have accused Miss Marie Corelli of using "perspicuity" instead of "perspicacity."

Giving Him the Hook.

"You will excuse me, madam," said little Blinks to the fair lady at the reception, "but really I didn't catch your name."

She was very weak and had night sweats but your wonderful medicine completely cured us both. It's the best I ever used or heard of." Solves A Deep Mytery

"I want to thank you from the bottom of my heart," wrote C. B. Rader, of Lewisburg, W. Va., "for the wonderful double benefit I got from Electric Bitters, in curing me of both a severe case of stomach trouble and of rheumatism, from which I had been an almost helpless sufferer for ten years. It suited my case as though made just for me." For dyspepsia, indigestion, jaundice, and to rid the system of kidney poisons that cause rheumatism, Electric Bitters has no equal. Try them. Every bottle is guaranteed to satisfy. Only 50c at all druggists.

Threading of Pearls.

With the Persians the writing of poetry and beautiful sayings is described as the "threading of pearls."

Charles Durham, Lovington, Ill., has succeeded in finding a positive cure for bed wetting. "My little boy wet the bed every night clear through on the floor. I tried several kinds of kidney medicine and I was in the drug store looking for something different to help him when I heard of Foley Kidney Pills. After he had taken them two days we could see a change and when he had taken two thirds of a bottle he was cured. That is about six weeks ago and he has not wet in bed since."
