THE GOOD AND THE BAD.

One ought to balance the good with the bad and also the length of time a man has lived to form a true estimate of his character. Polybius, the Greek historian, says, "There is no reason why we should not sometimes blame and sometimes commend the same person, for, as none is always right, neither is it probable that he should be always wrong."

Typewriters Given Away.

The Emerson Typewriter Co. of Woodstock, Ill., have recently given away over 400 of the highest grade, wholly visible Emerson Typewriters made in the world. They have gone into every state and territory in the United States. There may be some in your town. They are giving them away everywhere to men, women, boys and girls, over 18 years of age, on surprisingly liberal conditions.

If you could make any use of a \$100.00 typewriter, providing it did not cost you even one cent, then in a letter or on a postal card addressed to Frank L. Wilder, President, Woodstock, Ill., simply say, "Mail me all your Free Offers," and by return mail you will receive their Free Offers, the names of over 400 who have recently received typewriters free, and you will learn on what easy conditions you can get one of their typewriters, free, right away.

The Emerson Typewriter is one of the highest grade, wholly visible typewriters made in the world. Many who have used the "Emerson" and other makes pronounce the "Emerson" superior to any \$100.00 typewriter on the market. It is a wholly visible machine has every new, up-to-date feature, looks like a high grade \$100.00 typewriters, though it sells regularly for less and on terms of \$1.00 down and 10 cents a day until paid for. The "Emerson" has every new improvement, universal keyboard, back spacer, tabulator, two-color ribbon, everything the best: is the ideal machine for beginners as well as for the most expert typists and stenographers; just the typewriter for the smallest or largest office.

If you could possibly make any use of a high grade typewriter, even though it didn't cost you one cent of money, then be sure, on a postal card or in a letter addressed to "Frank L. Wilder, President, Woodstock, Ill.," say "Mail me your Free Offers."

RICHES AND STRENGTH.

Men seem neither to understand their riches nor their strength. Of the former they believe greater things than they should, of the latter much less. Self reliance and self denial will teach a man to drink out of his own cistern, and eat his own sweet bread, and to learn and labor truly to get his living, and carefully to expend the good things committed to his trust.—Bacon.

Fourmile Items.

If heaven is a place of perfect peace we would like to know where all the policemen and game wardens go when they die.

There will be a masquerade ball at Fourmile hall on the evening of February 22nd. No pains will be spared to make it the greatest event of the season.
