Almost Lost His Life.

S. A. Stid, of Mason, Mich., will never forget his terrible exposure to a merciless storm. "It gave me a dreadful cold," he writes, "that caused severe pains in my chest, so it was hard for me to breathe. A neighbor gave me several doses of Dr. King's New Discovery which brought great relief. The doctor said I was on the verge of pneumonia, but to continue with the Discovery. I did so and two bottles completely cured me." Use only this quick, safe, reliable medicine for coughs, colds, or any throat or lung trouble. Price 50c and \$1.00. Trial bottle free. Guaranteed by all druggists.

Traditions of the Flood.

The Deserte de Carlitte, in the Pyrenees, close on 10,000 feet above the sea, contains no fewer than sixty lakes of varying sizes. These, according to local tradition, were left at the time of the flood. When the waters subsided it appears that Noah and his family landed on the Puy de Prigue, one of the highest peaks in the district. Proof of the truth of this tradition is found in an iron ring to which the peasants declare, the ark was moored when the landing was effected.

Shocking Sounds

in the earth are sometimes heard before a terrible earthquake, that warn of the coming peril. Nature's warnings are kind. That dull pain or ache in the back warns you the kidneys need attention if you would escape those dangerous maladies, Dropsy, Diabetes or Bright's disease. Take Electric Bitters at once and see backache fly and all your best feelings return. "My son received great benefit from their use or kidney and bladder trouble," writes Peter Bondy, South Rockwood, Mich., "It is certainly a great kidney medicine." Try it. 50c at all druggists.

A Persian Bridge Story.

There are few rivers in Persia, and not many of these are bridged. Years ago a wealthy woman built a bridge over a stream near the capital city, and then, thinking that this should have been done by the shah, she pronounced a curse upon any king who should ever cross the bridge. It is said that no Persian ruler has ever had the hardihood to venture upon it, and it is said there is not money enough in the kingdom to hire one to do so.—Los Angeles Times.

First LaGrippe. Then Bronchitis

That was the case with Mrs. W. S. Bailey, McCreary, Ky. "My wife was taken down with a severe attack of la grippe, which run into bronchitis. She coughed as though she had consumption and could not sleep at night. The first bottle of Foley's Honey and Tar Compound gave her so much relief that she continued using it until she was permanently cured." Bandon Drug Company.

The Name of Names.

John is the name of names and has been for all time. John is strength, goodness, sureness. The situation, however desperate, is saved when John appears. Wife, sweetheart, sister or mother may calm her fears when the strong shoulder of John is there to lean on. The ship is safe when John has his hand on the tiller, and the villain may well look to the priming of his pistol or, better still, make what terms he can when he has John to deal with.—Atlantic Monthly.

Warning Against Wet Feet.

Wet and chilled feet usually affect the mucous membrane of the nose, throat and lungs, and la grippe, bronchitis or pneumonia may result. Watch carefully, particularly the children, and for the racking stubborn coughs give Foley's Honey and Tar Compound. It soothes the inflamed membrane, and heals the cough quickly. Take no substitute Bandon Drug Company.

The Welsh Language.

Mr. Ruskin was once asked if it would not be well for the Welsh language to die out and be replaced by the English. "God forbid!" he replied. "The Welsh language is the language of music. There is no genius about the English language. The Scotch have got all the poetry and the Irish all the wit, and how the devil we got Shakespeare I do not know."

Foley Kidney Pills will cure any case of kidney or bladder trouble not beyond the reach of medicine. No medicine can do more. For sale by Bandon Drug Company.

The Sound Sleep of Good Health

Is not for those suffering from kidney ailments and irregularities. The prompt use of Foley Kidney Pills will dispel backache and rheumatism, heal and strengthen sore, weak and ailing kidneys, restore normal action and with it health and strength. Mrs. M. F. Spalsbury, Sterling, Ill., says, "I suffered great pain in my back and kidneys, could not sleep at night, and could not raise my hand over my head. Put two bottles of Foley Kidney Pills cured me." For sale by Bandon Drug Co.

Aunt Matilda's Journey.

"The curious effect sometimes produced in telegrams by want of punctuation or the omission of a single word," says a reader, "cannot fail to have struck every one. I had a female relative living in the north from whom I had 'expectations.' She had been alling for some weeks, when one morning came a telegram asking my wife to go at once as she—my aunt—was much worse. She accordingly went.

"During the evening of the following day I received this disconcerting announcement:

"Aunt Matilda went to heaven at 3:30 returning by 11:50 tomorrow morning."—New York Mail.

He Won't Limp Now.

No more limping for Tom Moore of Cochran, Ga. "I had a bad sore on my instep that nothing seemed to help till I used Bucklen's Arnica Salve," he writes, "but this wonderful healer soon cured me." Heals old, running sores, ulcers, boils, burns, cuts, bruises, eczema or piles. Try it. Only 25c at all druggists.

Strategy.

Edna—Jack and I had the most delightful time on shipboard. Katharine—Gracious! I don't see how you could enjoy yourselves under the watchful eyes of the chaperon. Edna—Oh, we used a little strategy. You see, we told the chaperon if she would close her eyes she would avoid seasickness, and she kept her eyes closed most of the voyage.
