An Unlucky Showman.

Punch and Judy originated in China about 1,000 years before Christ. The Emperor Mir of the Chow dynasty was one day making a tour through the empire when an entertainer named Yien Shi was brought into his court to amuse the ladies of his court. During the performance the puppets cast such significant glances toward the ladies that the angered emperor ordered the originator of the "puppet" play to be executed.—London Answers.

Almost a Miracle.

One of the most startling changes ever seen in any man, according to W. B. Holsclaw, Clarendon, Tex., was effected years ago in his brother. "He had such a dreadful cough," he writes, "that all our family thought he was going into consumption, but he began to use Dr. King's New Discovery, and was completely cured by tea bottles. Now he is sound and well and weighs 218 pounds. For many years our family has used this wonderful remedy for coughs and colds with excellent result." It's quick, safe, reliable and guaranteed. Price 50 cents and \$1.00. Trial bottle free at all druggists.

Skyrockets Before Gunpowder.

It matters very little in the long run to the small boy when, how or where fireworks were first made and of what they are made now. But the fact remains that the despised heathen Chinese first made them and used them and that civilized communities did not know of them until the fourteenth century. The skyrocket was first invented toward the close of the ninth century and at that time was used, so it is said, in India and China in war. That was long before the invention of gunpowder.

The Danger After Grip.

lies often in a run down system. Weakness, nervousness, lack of appetite, energy and ambition, with disordered liver and kidneys often follow an attack of this wretched disease. The greatest need then is Electric Bitters, the glorious tonic, blood purifier and regulator of stomach, liver and kidneys. Thousands have proved that they wonderfully strengthen the nerves, build up the system and restore to health and good spirits after an attack of grip. If suffering try them. Only 50 cents. Sold and perfect satisfaction guaranteed by all druggists.

Prices in Missouri in 1837.

Old records brought to light in Linn county give some interesting figures of many years ago. Cows were quoted in 1837 at \$7 to \$10; horses, \$25 to \$40; hogs, a head, \$1.25 to \$1.50; a nice veal calf sold for 75 cents, eggs 3 cents a dozen and deer hams 25 cents each. You could get a man to work for you from sunup till dark at from 10 to 15 cents a day, and he accepted pay in pelts, hides, twists of tobacco, wild honey or yarn mitts.—Kansas City Times.

It Looks Like a Crime.

to separate a boy from a box of Bucklen's Arnica Salve. His pimples, boils, scratches, knocks, sprains and bruises demand it and its quick relief for burns, scalds, or cuts is his right. Keep it handy for boys also for girls. Heals everything healable and does it quick. Unequaled for piles. Only 25 cents at all druggists.

Sure.

"How did the doctor tell you to take the medicine, Larry—internally or externally?"

"Nayther wan, sor."

"But it must have been one of the other."

"Divil a bit, sor. Nayther wan."

"But look here, Larry: that's absurd. It must have been one of the other, you know."

"Nayther wan, I tell ye. He told me to snuff it up me nose."—St. Louis Republic.

Puts End to Bad Habit.

Things never look bright to one with "the blues." Ten to one the trouble is a sluggish liver, filling the system with bilious poison, that Dr. King's New Life Pills would expel. Try them. Let the joy of better feelings end the "blues." Best for stomach, liver and kidneys. 25c at all druggists.

Fishes and Tadpoles.

In fishes and tadpoles there is a peculiar lateral line running down each side of the body, which probably acts as a kind of ear, sensitive to movements of the water and warning them of enemies at hand.

Not Surprised.

"What's that you have in your hand?" asked Mrs. Gimlet of her husband as he brought home a roll of manuscript.

"Brainst, madam," retorted Mr. Gimlet pompously. "Are you surprised at the fact?"

"Not in the least," she replied. "I knew you didn't carry them in your head."
