A WASTED LIFE.

A man can have no greater delusion than that he can spend the best years of his life coining all his energies into money, neglecting his home, sacrificing friendships, self improvement and everything else that is really worth while for money and yet find happiness at the end. There is never happiness in such a selfish life.

A Comical Comparison.

You know how it is when a man grows fat and rolls of fat at the base of his neck are sort of piled one above the other until stopped by the base of his skull. Well, a man with the fear of his neck disposed that way was sitting at the theater one evening in a seat just in front of one who isn't reverent.

The latter contemplated the exuberant layers of flesh surmounting the fat man's collar. Then, pointing to them, he remarked, sotto voce, to the companion beside him:

"Look at the plate of buckwheat cakes!"—New York Times.

Almost a Miracle.

One of the most startling changes ever seen in any man, according to W. B. Holsclaw, Clarendon, Tex., was effected years ago in his brother. "He had such a dreadful cough," he writes, "that all our family thought he was going into consumption, but he began to use Dr. King's New Discovery, and was completely cured by ten bottles. Now he is sound and well and weighs 218 pounds. For many years our family has used this wonderful remedy for coughs and colds with excellent result." It's quick, safe, reliable and guaranteed. Price 50 cents and \$1.00. Trial bottle free at all druggists.

The Cooks at the Feast.

An Englishman and a Welshman disputing in whose country was the best living, the Welshman said, "There is such noble housekeeping in Wales that I have known above a dozen cooks employed at one wedding dinner."

"Aye," answered the Englishman, "that was because every man roasted his own cheese."—Argonaut.

The Danger After Grip.

lies often in a run down system. Weakness, nervousness, lack of appetite, energy and ambition, with disordered liver and kidneys often follow an attack of this wretched disease. The greatest need then is Electric Bitters, the glorious tonic, blood purifier and regulator of stomach, liver and kidneys. Thousands have proved that they wonderfully strengthen the nerves, build up the system and restore to health and good spirits after an attack of grip. If suffering try them. Only 50 cents. Sold and perfect satisfaction guaranteed by all druggists.

Her Specialty.

"I thought you said George had married a good manager."
"He did."
"I called on her yesterday, and the house was in terrible disorder. It looked as if everything had been left to take care of itself."
"But you should see her managing George."—Chicago Record-Herald.

It Looks Like a Crime.

to separate a boy from a box of Bucklen's Arnica Salve. His pimples, boils, scratches, knocks, sprains and bruises demand it and its quick relief for burns, scalds, or cuts is his right. Keep it handy for boys also for girls. Heals everything healable and does it quick. Unequaled for piles. Only 25 cents at all druggists.

Isaac Watts.

Isaac Watts, the hymn writer, made a proposal of marriage to a lady whom he met frequently at the home of his friend Ken. The lady made a courteous refusal, saying that "while she admired the jewel she feared she did not sufficiently admire the casket that contained it." Isaac Watts was not of imposing frame, being only five feet in height.

Puts End to Bad Habit.

Things never look bright to one with "the blues." Ten to one the trouble is a sluggish liver, filling the system with bilious poison, that Dr. King's New Life Pills would expel. Try them. Let the joy of better feelings end the "blues." Best for stomach, liver and kidneys. 25c at all druggists.
