What Texans Admire

is heavy, vigorous life, according to Hugh Tallman, of San Antonio. "We find," he writes, "that Dr. King's New Life Pills surely put new life and energy into a person. With me I believe they are the best made." Excellent for stomach, liver and kidney troubles. 25c at all Druggists.

Cat Worship.

In ancient Egypt the cat was an object of worship. Herodotus narrates that when an Egyptian house was on fire the first thing to be saved was the cat. When the Romans conquered Egypt the cat received no more consideration than the religion of which it formed a part. Before that time in Egypt to kill a cat, even by accident, was punishable with death.

The Demons of the Swamp

are mosquitoes. As they sting they put deadly malaria germs in the blood. Then follow the icy chills and the fires of fever. The appetite flies and the strength fails; malaria also often paves the way for deadly typhoid. But Electric Bitters kill and cast out the malaria germs from the blood; give you a fine appetite and renew your strength. "After long suffering," wrote Wm. Fretwell, of Lucama, N. C., "three bottles drove all the malaria from my system, and I've had good health ever since." Best for all stomach, liver and kidney ills. 50c at all Druggists.

Blossoms Under Swiss Snow.

The soldanelius of the high Alpine meadows of Switzerland bore their way up through the coating of ice and snow by means of heat generated by the growing stem. Quite commonly, if the layer of snow is very thick, the flower will open without ever reaching the surface at all. The blossom is in no way affected by its strange surroundings. The space round the stem is, of course, thawed by the growing stem, which gives out heat.—Detroit Free Press.

Escapes an Awful Fate.

A thousand tongues could not express the gratitude of Mrs. J. E. Cox of Joliet, Ill., for her wonderful deliverance from an awful fate. "Typhoid pneumonia had left me with a dreadful cough," she writes. "Sometimes I had such awful coughing spells I thought I would die. I could get no help from doctor's treatment or other medicines till I used Dr. King's New Discovery. But I owe my life to this wonderful remedy for I scarcely cough at all now." Quick and safe its the most reliable of all throat and lung medicines. Every bottle guaranteed. 50c and \$1.00. Trial bottle free at all Druggists.

Heat From the Moon.

The moon is made of material supposed to be stone, since its specific gravity is about that of the rocks with-in reach here on earth. It reflects the light it receives from the sun to the earth, but in greatly weakened proportion. Therefore this light will affect plants in the same ratio. The effect is very small indeed. Heat energy sent from the sun to the moon is very nearly the same as that radiated to the earth, but the quantity sent from the moon to the earth is so small that it is negligible.—New York American.

Helps a Judge in Bad Fix.

Justice Eli Cherry, of Gillis Mills, Tenn., was plainly worried. A bad sore on his leg had baffled several doctors and long resisted all remedies. "I thought it was a cancer," he wrote. "At last I used Bucklen's Arnica Salve, and was completely cured." Cures burns, boils, cuts, ulcers, bruises and piles. 25c at all Druggists.

Playing Two Roles.

Towne—Dr. Post is at work on a collection of poems now. Browne—Nonsense! Why, he's a humdrum old doctor of medicine and never—Towne—I know, but he is also a corner. He's examining the poems to see what there was in them to induce the editor to shoot the writer of them. —Catholic Standard and Times.

There never was a time when people appreciated the real merits of Chamberlain's Cough Remedy more than now. This is shown by the increase in sales and voluntary testimonials from persons who have been cured by it. If you or your children are troubled with a cough or cold give it a trial and become acquainted with its good qualities. For sale by C. Y. Lowe.

Wool Grease.

Wool grease is obtained by soaking the raw wool in water and washing with soap and carbonates of alkalis. The water is then passed into a centrifugal apparatus which removes the grease from the soapends.

A Big Step Toward Freedom

from money troubles is taken when a young man makes his first deposit in the savings bank. He has begun a habit which, if continued, will surely place him above want. It will also enable him to seize opportunities that his free spending companions will never be able to grasp. Prove your foresightedness by starting an account here next pay day.
