Man Coughs and Breaks Ribs

After a frightful coughing spell a man in Neenah, Wis., felt terrible pains in his side and his doctor found two ribs had been broken. What agony Dr. King's New Discovery would have saved him. A few teaspoonsful ends a late cough, while persistent use routs obstinate cough, expels stubborn colds or heals weak, sore lungs. "I feel sure its a God-send to humanity," writes Mrs. Effie Morton, Columbia, Mo. "For I believe I would have consumption today, if I had not used this great remedy." It is guaranteed to satisfy, and you can get a free trial bottle for 50-cent or \$1.00 size at all druggists.

BE LOVABLE.

Let your task be to render yourself worthy of love, and this even more for your own happiness than for that of another's.—Maeterlinck.

- ### HOUSING REFORM DON'TS.
- Don't tolerate cellar dwellings.
 - Don't legislate merely for the present.
 - Don't tolerate the lodger evil. Nip it in the bud.
 - Don't attempt to legislate first and investigate afterward.
 - Don't permit privies to exist in any town. Compel their removal.
 - Don't permit houses unfit for human habitation to be occupied.
 - Don't permit the growth of new slums. Prevention is better than cure.
 - Don't let the poor be denied a liberal supply of water in their homes.
 - Don't build a model tenement until you have secured a model housing law.
 - Don't let your town become a town of tenements. Keep it a town of homes.
 - Don't repeat the talk about the poor not wanting good housing accommodations.
 - Don't permit any new houses to be built that do not have adequate light and ventilation and proper sanitation.
 - Don't imagine there is no necessity for action because conditions in your town are not as bad as they are elsewhere.
 - Don't cease your efforts when you have passed a good law. Eternal vigilance is not only the price of liberty, but of all progress.
