It Takes a Big Lot of Paint

to cover a city, but we could come pretty near being able to furnish it if called upon. And the city would be a brighter looking community too. Our paints are composed of materials which do not crack, peel or fade quickly. They outlast the so-called cheaper paints many times over. They save money in the less frequent re-painting required.

Man Coughs and Breaks Ribs

After a frightful coughing spell a man in Neenah, Wis., felt terrible pains in his side and his doctor found two ribs had been broken. What agony Dr. King's New Discovery would have saved him. A few teaspoonsful ends a late cough, while persistent use routs obstinate cough, expels stubborn colds or heals weak, sore lungs. "I feel sure its a God-send to humanity," writes Mrs. Effie Morton, Columbia, Mo. "For I believe I would have consumption today, if I had not used this great remedy." It is guaranteed to satisfy, and you can get a free trial bottle for 50-cent or \$1.00 size at all druggists.

Her Abilities.

"Do you believe there is anything in mind reading?"
"If there isn't my wife's an awful good guesser. She never has to wait for me to do any confessing."—Chicago Record-Herald.

A sprained ankle may be cured in from three to four days by applying Chamberlain's Liniment and observing the directions with each bottle. For sale by C. Y. Lowe.

Velocity of Meteorites.

It is no wonder that stones which fall from the regions of space are fired by the impact when they strike our atmosphere. Astronomers estimate that they fall with a velocity of at least 60,000 yards per second.

Move on Now

says a policeman to a street crowd, and whacks heads if it don't. "Move on now," says the big harsh mineral pills to bowel congestion and suffering follows. Dr. King's New Life Pills don't bulldoze the bowels. They gently persuade them to right action and health follows. 25c at all druggists.

The Term "Lobster."

The term "lobster" was used in this country as early as 1775, as an indication of contempt. John Adams in his argument in defense of the British soldiers on trial for murder because of complicity in the "Boston massacre" refers to the name "lobster" as one of the epithets applied by the populace to the soldiers.

When your child has whooping cough be careful to keep the cough loose and expectoration easy by giving Chamberlain's Cough Remedy as may be required. This remedy will also liquify the tough mucus and make it easy to expectorate. It has been used successfully in many epidemics and is safe and sure. For sale by C. Y. Lowe.

A Chance.

"I've got an awfully poor memory," remarked Boggs. "I just can't remember anything overnight."
"You haven't got a five spot you could spare until tomorrow, have you?" asked Scroggs.—Cincinnati Enquirer.

It is now well known that not more than one case of rheumatism in ten requires any internal treatment whatever. All that is needed is a free application of Chamberlain's Liniment and massaging the parts at each application. Try it and see how quickly it will relieve the pain and soreness. Sold by C. Y. Lowe.
