Where You Get the Hardware

If you are looking for anything in light and heavy hardware, this is the place to get it.
We also do plumbing and guarantee satisfaction.
Our chief aim is to please.

A. McNAIR, The Hardware Man

Economy in Paint

does not consist in buying the cheapest you can get. On the contrary the best you can buy is far the cheaper. If you buy your paints from us you won't have to buy nearly so often. Paint that lasts is cheaper than paint that doesn't.

One of the most effective ways for local merchants to oppose encroachments of mail order houses is to advertise liberally in the home paper. Too many merchants sleep on their oars while the catalog house comes in and takes a large portion of their trade. They demur at undertaking anything like a thorough system of advertising, contending that the dritt to the mail order houses is bound to come; and yet they make free complaint over the inroads of the mail-order houses into their particular trade. The fact of the matter is, the trade belongs rightfully to them and would come to them if they were progressive enough in inviting it with good, live advertising.

Some One Should Tell Her.

No woman ever made a greater mistake than that which is made by the woman who thinks she will please her husband by sitting up and waiting for him until 2 o'clock in the morning.—Chicago Record-Herald.

Mail Carriers Will Fly.

This is an age of great discoveries. Progress rides on the air. Soon we may see Uncle Sam's mail carriers flying in all directions, transporting mail. People take a wonderful interest in a discovery that benefits them. That's why Dr. King's New Discovery for Coughs, Colds and other throat and lung diseases is the most popular medicine in America. "It cured me of a dreadful cough," writes Mrs. J. F. Davis, Stickney Corner, Me., "after doctor's treatment and all other remedies had failed." For coughs, colds or any bronchial affection its unequalled. Price 50c and \$1.00. Trial bottle free at all druggists.

Passed Along.

An old woman was once pouring a tirade into the ear of Charles Lamb more remarkable in length than substance. Observing that the noted essayist was fast lapsing into a state of oblivion, she aroused him by remarking in a loud voice:

"I'm afraid, Mr. Lamb, you are deriving no benefit from my observations."

"Well, madam," he replied, "I can not say that I am, but perhaps the woman on the other side of me is, for they go in one ear and out the other."

What Makes a Woman?

One hundred and twenty pounds, more or less, of bone and muscle don't make a woman. Its a good foundation. Put into it health and strength and she may rule a kingdom. But that's just what Electric Bitters give her. Thousands bless them for overcoming fainting and dizzy spells and for dispelling weakness, nervousness, backache and tired, listless, worn out feeling. "Electric Bitters have done me a world of good," writes Eliza Pool, Depew, Okla., "and I thank you, with all my heart, for making such a good medicine." Only 50c. Guaranteed by all druggists.

Today.

Today is a king in disguise. Today always looks mean to the thoughtless in the face of a uniformed experience that all good and great and happy actions are made up precisely of these blank todays.

During the summer months mothers of young children should watch for any unnatural looseness of the bowels. When given prompt attention at this time serious trouble may be avoided. Chamberlain's Colic, Cholera and Diarrhoea Remedy can always be depended upon. For sale by C. Y. Lowe.

Trouble Heiresses Have.

"We heiresses have many rivals for our hands."

"Yes," replied Miss Cayenne; "you must feel as if the pathway of life were filled with pocketbook snatchers."—Washington Star.

Buy it now. Chamberlain's Colic, Cholera and Diarrhoea Remedy is almost certain to be needed before the summer is over. Buy it now and be prepared for such an emergency. For sale by C. Y. Lowe.

The Month of May.

The Anglo-Saxons called the month of May Trililki, because then they began to milk their cows thrice a day.

For soreness of the muscles, whether induced by violent exercise or injury, there is nothing better than Chamberlain's Liniment. This liniment also relieves rheumatic pain. For sale by C. Y. Lowe.

Insect Bite Costs Leg.

A Boston man lost his leg from the bite of an insect two years before. To avert such calamities from stings and bites of insects use Bucklen's Arnica Salve promptly to kill the poison and prevent inflammation, swelling pain. Heals burns, boils, ulcers, piles, eczema, cuts, bruises. Only 35 cents at all druggists.

The Choice of a Husband

is too important a matter for a woman to be handicapped by weakness, bad blood or foul breath. Avoid these kill-hopes by taking Dr. King's Life Pills. New strength, fine complexion, pure breath, cheerful spirits—things that win men follow their use. Easy, safe, cure 35c. All druggists.

Words to the Wise

Our bank makes no investments without ample security; we can't afford to take risks; moderate, sure profits are far better than large dividends with possible loss of principal. Reliability, honest methods, fair rates of interest and conservative protection make this bank rank high. Glad to tell you more if you will ask any one here.
