Not Wholly Ignorant.
An applicant for a position in the public works department in a certain city was undergoing a civil service examination. With a view to testing his knowledge of history the examining officer asked him what he knew of the Punic wars.

"The name sounds familiar," said the applicant, "but I can't just remember when it was or where it happened."

"Don't you know anything about Scipio?"

"No, sir."

"Surely you have heard about Hannibal?"

"Oh, yes, I know all about Hannibal. That's where Mark Twain used to live."

Flying Men Fall

victims to stomach, liver and kidney troubles just like other people, with like results in loss of appetite, backache, nervousness, headache, and tired, listless, run-down feeling. But there's no need to feel like that as T. D. Peebles, Henry, Tenn., proved. "Six bottles of Electric Bitters," he writes, "did more to give me new strength and good appetite than all other stomach remedies I used." So they help everybody. Its folly to suffer when this great remedy will help you from the first dose. Try it. Only 50cts at all druggists.

Indian's Idea of Weight.

An Indian went hunting one day for deer. After tramping through the woods for some hours he came across a herd and managed to kill one. He shouldered it and started for market, which was some five miles away. Now, of course, the longer he walked the heavier the deer got, and by the time he reached the market he was about all in. He hung the deer on the scales and stood looking at it with wonder. Finally he said to the man: "Ugh! Let him hang awhile."—National Monthly.

Are Ever at War.

There are two things everlasting in war, **py** and piles. But Bucklen's Arnica Salve will banish piles in any form. It soon subdues the itching, irritation, inflammation or swelling. It gives comfort, invites joy. Great healer of burns, boils, ulcers, cuts, bruises, eczema, scalds, pimples, skin eruptions. Only 25 cents at all druggists.

Modern Science.

A physician in a distant office, if he has the proper electrical devices, can count pulse and also hear the systols and diastole of the heart in its beating. A stethoscope can be connected with a transmitting telephone and sounds in the chest magnified and transmitted. Air rushing in the lungs can then be heard by the distant physician.—New York American.

The Trials of a Traveler.

"I am a travelling salesman," writes E. E. Youngs, E. Beikshire, Vt., "and was often troubled with constipation and indigestion till I began to use Dr. King's New Life Pills; which I have found an excellent remedy." For all stomach, liver or kidney troubles they are unequalled. Only 25 cents at all druggists.

True of Trouble.

"He's out of a job now. He had a good opportunity, but he didn't take the trouble to improve it."
"Yes. It's a funny thing about trouble, isn't it? If you don't take it you'll have it."—Philadelphia Ledger.

"Were all medicines as meritorious as Chamberlain's Colic, Cholera and Diarrhoea Remedy the world would be much better off and the percentage of suffering greatly decreased," writes Lindsay Scott, of Temple, Ind. For sale by C. Y. Lowe.

Hardly.

"Why do girls wear engagement rings?"
"On the same principle that a person ties a string around his finger—so they won't forget they're engaged."—Exchange.

A vast amount of ill health is due to impaired digestion. When the stomach fails to perform its functions properly the whole system becomes deranged. A few doses of Chamberlain's Tablets is all you need. They will strengthen your digestion, invigorate your liver, and regulate your bowels, entirely doing away with that miserable feeling due to faulty digestion. Try it. Many others have been permanently cured—why not you? For sale by C. Y. Lowe.

Defined.

"Maw, what's a lambrequin?"
"It's a kind of short drapery to cover the curtain fixtures—something like the straggling mustache your Uncle Sime grows to hide his funny looking mouth."—Chicago Tribune.
