Many Driven From Home.

Every year, in many parts of the country, thousands are driven from their homes by coughs and lung diseases. Friends and business are left behind for other climates, but this is costly and not always sure. A better way—the way of multitudes—is to use Dr. King's New Discovery and cure yourself at home. Stay right there, with your friends, and take this safe medicine. Throat and lung troubles find quick relief and health returns. Its help in coughs, colds, grip, croup, whooping cough and sore lungs make it a positive blessing. 50c and \$1.00. Trial bottle free. Guaranteed by all druggists.

Snails and Odors.

Snails perceive the odor of many substances, but only when not far away in order to prove this it is necessary merely to dip a glass rod in a strongly smelling substance and bring it near the large tentacles of a snail in motion. If it is put close to these horns the tentacles are violently drawn back. As the animal perceives the odor it changes its course. Snails also smell by means of their skin. Contact is not necessary, for the mere vicinity of a perfume causes an indentation of the skin.

Palmyra Salt.

Salt is obtained in Palmyra by dipping buckets in a salt lake and waiting till the water has evaporated.

The Men Who Succeed.

As heads of large enterprises are men of great energy. Success today, demands health. To ail is to fail. It's utter folly for a man to endure a weak, run-down, half alive condition when Electric Bitters will put him right on his feet in short order. "Four bottles did me more real good than any other medicine I ever took," writes Chas. B. Allen, Sylvania, Ga. "After years of suffering with rheumatism, liver trouble, stomach disorders and deranged kidneys, I am again, thanks to Electric Bitters, sound and well." Fry them. Only 50 cents at all druggists.

Harriet Martineau's Cigars.

Harriet Martineau suffered from deafness. One who knew her writes: "The degree of deafness varied, and she tried all sorts of remedies. Under the advice of some scientific person she tried smoking. I had the privilege of providing her privately with some very mild cigars, and many and many a summer night have we sat together for half an hour or so in her porch at the Knoll smoking. She tried this remedy for only a few months, but she fancied it had a beneficial effect upon her hearing."

The Earwig.

Owing to the hind wings of an earwig resembling in shape the human ear the insect has derived its name.

What We Never Forget.

According to science, are the things associated with our early home life, such as Bucklen's Arnica Salve, that mother or grandmother used to cure our burns, boils, scalds, sores, skin eruptions, cuts, sprains or bruises. Forty years of cures prove its merit. Unrivaled for piles, corns or cold sores. Only 25c at all druggists.

Something Like It.

"Will you have some mocking bird soup?"

A new waitress in a family hotel on the hill startled the diners one evening by asking this question.

"I'll not eat at this hotel again. I'm a member of the Audubon society. The very idea! Making soup out of mocking birds!" indignantly remarked a woman.

"I'll take a chance on it just once," said her husband.

The waitress went to the kitchen and returned.

"I made a mistake," she said. "It was mock turtle soup."—St. Paul Dispatch.

Pittsburgh's First Directory. Pittsburgh's first city directory, issued in 1815, is now preserved in the Carnegie Library in that city.

Uncle Ezra Says.

"It don't take more'n a gill or effort to git folks into a peck of trouble" and a little neglect of constipation, biliousness, indigestion or other liver derangement will do the same. It ailing, take Dr. King's New Life Pills for quick results. Easy safe, sure, and only 25 cents at all druggists.

Zinc.

Zinc will be given a fine luster if polished with one part sulphuric acid to twelve of water.
