## "Our Personal Guarantee to all Skin Sufferers" Bandon Drug Co.

We have been in business in this town for some time, and we are looking to build up trade by always advising our patrons right.

So when we tell you that we have found the eczema remedy and that we stand back of it with the manufacturer's iron clad guarantee, backed by ourselves, you can depend upon it that we give our advice not in order to sell a few bottles of medicine to skin sufferers, but because we know how it will help our business if we help our patrons.

We keep in stock and sell all the well known skin remedies. But we will say this: If you are suffering from any kind of skin trouble, eczema, psoriasis, rash or tetter, we want you to try a full size bottle of D. D. D. Prescription. And, if it does not do the work, this

bottle will cost you nothing. You alone to judge.

Again and again we have seen how a few drops of this simple wash applied to the skin, takes away the itch, instantly. And the cures all seem to be permanent.

D. D. D. Prescription made by the D. D. D. Laboratories of Chicago, is composed of thymol, glycerine, oil of wintergreen and other healing, soothing, cooling ingredients. And if you are just crazy with itch, you will feel soothed and cooled, the itch absolutely washed away the moment you applied this D. D. D.

We have made fast friends of more than one family by recommending this remedy to a skin sufferer here and there and we want you to try it now on our positive money guarantee.

### The Burglar's Jimmy.

Why does the burglar call the lock with which he opens windows and doors a "Jimmy"? No one seems to be sure. Perhaps it is merely a pet name. The French burglar calls his Jimmy "cree Jacques," which is first cousin to "Jimmy."

### Dates on Coins.

James V. of Scotland was the first to put dates on his coinage.

### The 6 o'Clock Club.

London once had a 6 o'Clock club, which consisted of six members only, who met at 6 o'clock in the evening, and separated at 6 o'clock in the morning. Dr. Brache and the celebrated Greek scholar Parnon were members of this club.

### One Idea of Heaven.

According to the ancient astronomers, heaven was seven or eight solid spheres, with a planet for the center of each. Some even ran the number up to seventy.

### The Huns.

The first mention of the Huns in history is in China B. C. 210. They conquered that country and were afterward driven out by the Celestials and marched clear across Asia, penetrating the country now known as Hungary in 376 A. D. For a time they threatened to overrun the whole of the continent, but were defeated in the heart of France and driven back to the banks of the Danube.

### A Sweet Scented Town.

Cannes, the perfume-making town of southern France, smells so powerfully of flowers in the busy season that visitors are often afflicted with a flower headache.

### A Collector of Snuffboxes.

The only expensive personal fancy of Frederick the Great, it is said, was his hobby for collecting snuffboxes, of which he left as many as 130, approximately valued at \$1,300,000. Lord Malmesbury said that one could hardly approach the king without sneezing. Two thousand pounds worth of Spanish snuff had always to be kept in store, but smoking, on the other hand was an abomination to Frederick.

### England's Deer Parks.

There are over 350 deer parks maintained in England.

### India's Burning Tree.

In India there grows a "burning tree," the leaves and stems of which are covered with stinging hairs. A touch of the Indian "burning tree" gives the same sensation as contact with red-hot iron, and the pain lasts several days.

### Petroleum.

Petroleum was first used by the Egyptians.

### First Steam Fire Engine.

The first steam fire engine was made in 1829 in London on the designs of Captain John Ericsson, the designer of the Monitor. The fire engine was a failure.

### Ragamuffin.

"Ragamuffin," says Dr. Johnson, "is from 'rag' and I know not what else." According to Dr. Brewer, the word means a ragged "muff" or "muffin" (a spiritless fellow). But the original Ragamuffin seems to have been a demon in certain old mystery plays, whose name was probably just high sounding nonsense. It is curious, however, that "the ragman" is an old name for the devil.

### Fortunes in Faces.

There's often much truth in the saying, "her face is her fortune," but it's never said where pimples, skin eruptions, blotches, or other blemishes disfigure it. Impure blood is back of them all, and shows the need of Dr. King's New Life Pills. They promote health and beauty. Try them. 25 cents at all druggists.

### Tree Snakes of Borneo.

The flying frogs of the Malays appear to be mythical, but the tree snakes of Borneo are credited with taking flying leaps from the boughs of trees to the ground. It is found that scales on the lower part of the body may be drawn inward so that the whole lower surface becomes concave. The resistance to the air is thus greatly increased, and experiments indicate that the snakes do not fall in writhing coils, but are let down gently in a direct line by the parachute-like action of their peculiar bodies.

When you have a bad cold you want the best medicine obtainable so as to cure it with as little delay as possible. Here is a druggist's opinion. "I have sold Chamberlain's Cough Remedy for fifteen years," says Enos Lollar of Saratoga, Ind., and consider it the best on the market." For sale by C. Y. Lowe.

### Dolls Stuffed With Fortunes.

The Bank of France destroys old notes by placing them in a vat and subjecting them to the action of certain corrosive acids. In a few moments the banknotes are reduced to pulp. This pulp is sold to toymakers, who use it for stuffing their less expensive dolls, so that the plaything of a child may be stuffed with what was once a fortune.

### Pride.

The following anecdote helps to prove that, even among the present Greeks, in the gloomy days of servitude, the remembrance of their ancient glory is not totally extinct:

When Mr. Anson (Lord Anson's brother) was upon his travels in the east he hired a vessel to visit the late of Tenosus. His pilot, an old Greek, as they were sailing along said, with some satisfaction, "There is was our fleet lay?" Mr. Anson demanded, "What fleet?" "What fleet?" replied the old man, a little piqued at the question. "Why, our Grecian fleet at the siege of Troy."—Life.

Here is a woman who speaks from personal knowledge and long experience, viz., Mrs. P. H. Brogan, of Wilson, Pa., who says, "I know from experience that Chamberlain's Cough Remedy is far superior to any other. For croup there is nothing that exceeds it. For sale by C. Y. Lowe.

### A Cask's Capacity.

Should you wish to get the capacity of a cask you can do so in the following manner: Take the measurements from the bung-hole to the bottom of each end of the cask in inches. Average the two measurements. Multiply this figure by itself twice. Then multiply the product by .002206, and the remainder is the number of gallons. Example: 31 in-hex, 29 inches (average 30 inches, 30x30x30=27,000, which multiplied by .002206=59.562. The contents, therefore, are sixty one gallons and a fraction.

If you have young children you have perhaps noticed that disorders of the stomach are their most common ailment. To correct this you will find Chamberlain's Stomach and Liver Tablets excellent. They are easy and pleasant to take, and mild and gentle in effect. For sale by C. Y. Lowe.

### Ignored the Hint.

The midnight stillness of the darkened parlor was punctuated by a crash just overhead.

"Wha-wha-what was that, dud-dud-dud-dud?" exclaimed the young man.

"Merely father dropping a hint," she replied as she snuggled a little closer.—Philadelphia Record.

### Too Much Seasoning.

"What is this thing?" asked the man at the lunch counter.

"A sandwich, of course. What did you think it was?" said the girl behind the counter.

"I thought it was a mustard plaster!"—New York Mail.

### Saved by His Wife.

She's a wise woman who knows just what to do when her husband's life is in danger, but Mrs. J. R. Flint, Brain-tree, Vt., is of that kind. "She insisted on my using Dr. King's New Discovery," writes Mr. F., "for a dreadful cough, when I was so weak my friends all thought I had only a short time to live, and it completely cured me." A quick cure for colds and coughs, it is the most safe and reliable medicine for many throat and lung troubles—grip, bronchitis, croup, whooping cough, quinsy, tonsillitis, hemorrhages. A trial will convince you. 50 cts. and \$1.00. Guaranteed by all druggists.

### Korean Etiquette.

When a Korean meets his wife on the street he must by custom ignore her presence and pass her by as if she were a stranger.

### Holland's Caraway Seed.

Caraway seed is a staple crop in Holland. The number of acres devoted to this fragrant seed is 20,000. The yield of mated caraway is about a ton and a half to the acre. Most of the seeds are worked up into oil by distillation.

Sick headache is caused by a disordered stomach. Take Chamberlain's Tablets and correct that and the headaches will disappear. For sale by C. Y. Lowe.
