Denmark Doings

Mr. E. J. Bement butchered several hogs the first of the week.

Mr. Clarence Brown was a very pleasant caller at Denmark school last Tuesday afternoon. He is doing chores for Mr. Frank McMullen this week while the latter is in Bandon on a business trip.

Miss Esther Bement returned to her work in Langlois Wednesday morning after a very pleasant weeks visit with home folks.

The people of Denmark are much interested in the proposed Free Text Book law, and many of them are planning to write to our representative in the Legislature, asking him to work for its passage.

Several boxes of shoes and a lot of lumber drifted ashore near Cape Blanco and we have been wondering where they came from.

Mr. Frank McMullen returned from a two days trip to Bandon, Wednesday evening.

The dolls' dressmaking parlors are located at the Denmark school house. Twelve clever seamstresses and a shop foreman. Orders taken every Thursday afternoon from 2:30 to 4 o'clock. All work guaranteed to be first class.

We note the letter by "A Mother" in Friday's RECORDER, and are glad to know that the mothers of our land are beginning to think. Our own sentiments are so well expressed there in that we refrain from saying anything more upon the subject, only that we hope every mother in Coos and Curry counties may read that letter and think it over.

Will Build up Library.

The following letter is being sent out by the Finance committee of the Bandon Public Library:

The outlook for the extension of the Bandon Public Library is very promising. A new directorate is actively engaged in promoting the interests of this institution, and their aim to make it one of Bandon's chief assets, is being realized.

Beginning this week the library will be open from 1:30 p. m. to 10 p. m. This addition of six hours will accommodate a large number of people who cannot visit the library at night. Another sign of progress will be noted, by the patron, in finding the daily newspapers on file, and facilities at hand for writing letters. We suggest that you remind your friends that the library is a good place to spend an evening.

At present there is a monthly expense of \$45 which you have been helping to meet. The committee on finance thank you heartily for your support and wish to ask that you continue your subscription with the assurance that the privileges and equipment of the library are being rapidly increased and that you will soon have a civic institution to which you may point with pride.

At present Mrs. Lockwood is the librarian and is intrusted with the duty of collecting subscriptions. She will call upon you regularly and will appreciate any courtesies.

Yours very truly,

N. J. Crain,
W. J. Sabin,
H. L. Hopkins,
S. R. Steele,
Committee on Finance.

A Girls Wild Midnight Ride

To warn people of a fearful forest fire in the Catskills a young girl rode horseback at midnight and saved many lives. Her deed was glorious but lives are often saved by Dr. Kings New Discovery in curing lung trouble, coughs and colds, which might have ended in consumption or pneumonia. "It cured me of a dreadful cough and lung disease," writes W. R. Patterson, Wellington, Tex., "after four in our family had died with consumption, and I gained 87 pounds." Nothing so sure and safe for all throat and lung troubles. Price 50c and \$1.00 Trial bottle free. Guaranteed by all druggists.
