

BANDON BOY SCOUTS HAVE AN OUTING

Take Their First Hike Last Saturday, Under Leadership of Rev. Hartranft.

The Bandon Boy Scouts took their first hike last Saturday under the leadership of Scout Master H. C. Hartranft. They went up the river several miles and had a fine outing, also they had considerable practice in drill work of various kind, and at noon each scout cooked his own dinner. They had beef steak, pork chops, bacon, eggs, cooked in various ways and in fact everything that one could ask to eat. They returned in the evening about 5 o'clock declaring they had had the time of their lives.

The boy scout movement is now thoroughly established in Bandon, and the boys are anticipating many jolly trips and outings as well as to receive great benefit in many ways from the movement.

There were about 22 boys in the brigade Saturday and more will be added right along now that the movement is thoroughly launched.

Subscribers to Road Fund.

Following is the list of subscribers to the road fund, for planking the road from the Ferry creek bridge to the Geo. W. Moore mill. Coquille River Transportation Co. A. Dunham, \$10.
Shields & Christie, \$5.

G. T. Treadgold \$1.00.
Smith J. Mann \$1.00.
H. M. Brown \$1.00.
A. McNair \$1.00.
A. G. Hoyt \$1.00.
Chas Lorenz \$1.00.
W. L. Beach \$1.00.
H. L. Houston \$1.00.
Orange Pharmacy \$1.00.
F. V. Catterlin \$1.00.
Bandon Market \$1.00.

DISBURSMENTS.

To Geo. W. Moore Lumber Co. 1-2 lumber \$60.
To Lyons & Johnson Lumber Co. 1-2 lumber \$30.
To A. McNair, nails \$1.
To Geo. W. Moore Lumber Co. for culvert \$1.50; total \$92.50.
The Geo. W. Moore Lumber Co. and the Lyons & Johnson Lumber Co. furnished the lumber on the above road for \$60 each; the county making up the deficit, \$30, for Lyons & Johnson Lumber Co.—A. G. Thrift.

In a letter to E. B. Kausrud from the father of Clarence G. Adams states that his son died at the Fort Bliss hospital in Texas on January 22, 1913. Mr. Adams will be remembered in Bandon as being a member and playing the Clarinet in the Bandon Concert Band.

Moore Lumber Co Wins Suit

In the case of Svenson vs the Geo. W. Moore Lumber Co. at Coquille last week, in which Svenson was suing the company for \$7,500 for the death of a brother, who was killed in the mill shortly after the new mill was built. The jury returned a verdict in favor of the defendant. G. T. Treadgold was attorney for the Moore Lumber Co. and Mr. Svenson was represented by L. A. Liljeqvist of Coquille and C. I. Riegard of Marshfield.

Coquille Papers Change Hands.

Both the Coquille Valley Sentinel and the Coquille Herald have changed hands. Editor J. C. Savage of the Sentinel has turned that paper over to Lew A. Cates formerly of the Cottage Grove Sentinel, and will go California for his health.

W. G. Ackerman, editor of the Coquille Herald has turned that paper over to his foreman P. C. Levar, and has accepted a position with the state printer at Salem.

Mr. Levar is well known in Coos county having been connected with the printing business at Coos Bay for many years.

ANOTHER BOAT FOR ESTABROOK CO.

Will be Built on the Bay and Used on San Francisco-Siuslaw Run.

The Estabrook Company, owners of the Fifield and Speedwell, both of which were built at the North Bend shipyards, is negotiating with Kruse & Banks for the construction of another vessel to be put on the San Francisco-Siuslaw run. The Estabrook Company has taken over the Tidwater Lumber Company on the Siuslaw, formerly owned by the Carey Company, by which they secured the sailing vessels Hugh Hogan, Sausalito and Oakland. They want a vessel similar to the Fifield for the Siuslaw run and will probably place the order soon.—Coos Bay Times.

North Bend Citizens to Build Hotel.

At the meeting of the Commercial Club Wednesday night the plan of raising money to build a modern hotel was discussed and heartily endorsed.

The result of the discussion was the naming of a committee of five representative citizens to take the matter in hand and secure subscriptions for stock, in being believed that subscribers will be guaranteed 6 per cent on the money invested.

The committee named is composed of the following: L. J. Simpson, F. W. Wood, C. S. Windsor, H. G. Kern and A. Van Zile. Members of the council present assured the committee that it was the sense of the council that the square opposite the city hall would be vacated and dedicated for the purpose free to any person or corporation that would agree to erect a modern hotel, costing not less than \$50,000.

Those present expressed a preference for a brick structure though on account of the location it was cited that a wooden building would be practically fire proof.—Coos Bay Harbor.

Miss Jessie Mott returned on the Elizabeth yesterday, from a business trip to San Francisco.

The Purpose of the Bandon Commercial Club.

The object of the Bandon Commercial Club is to foster and encourage and in any way possible help develop the financial, mercantile, manufacturing, agricultural, dairy and horticultural interests of the town and district. One function of the club is to collect and distribute useful information and anyone gaining knowledge of any point likely to be of general interest and bearing upon the welfare of the Bandon district would do well to inform the secretary of the Bandon Commercial Club of such information.

Another function of the Bandon Commercial Club is to encourage helpful legislation and much is being done by the club in this line. It is a field of activity in which in the past

Bandon people have shown regrettable apathy.

The club aims to assist in the establishment of new and additional manufacturing enterprises in the district. To increase the trade and population of the city, and last but not least to draw the citizens more closely together to the end of working in harmony with a unity of purpose that will mean results. Boost for the commercial club, don't be one of those narrow souled kickers who cry like a whining child at what "they" do, but get in and do something yourself there will be enough of the obstructionists to keep the hammer from rusting.

The club meets on Thursday evening.

Moss Averill Loses Match.

In the wrestling match at the Orpheum Saturday night between Moss Averill of Bandon and J. W. Lutsey of Langlois, for the championship of Curry county, Lutsey won two straight falls, the first in seven minutes and the second in four minutes.

Although Moss lost the match, yet he made it interesting for his opponent, and considering that he was not a professional while Mr. Lutsey was, certainly made a good showing.

The four round preliminary boxing contest between Happy Holbrook and Lloyd Jorgensen, was declared a draw, as both boys showed up well and honors were about even throughout.

Women's Commercial Club Meeting.

The next regular meeting of the Ladies Commercial Club, will be in the Commercial club rooms, Friday afternoon, Feb. 14, 1913, all members requested to be present. The Club extends a cordial invitation to all ladies of Bandon to meet with them. If you don't care to become a member come and visit the club and learn for yourself the object of the club some very interesting papers will be read by Miss Ritchie and Mrs. Pape, Mayor Mast will also speak to the club. Meeting called prompt at 3:30 and lasts about one hour.

B. J. Coumerilh left on the Fifield for San Francisco to buy goods for the Bandon Dry Goods Co.

Calico Dance a Success.

The calico social and dance, given on Saturday the 8th by the Ladies Socialist Study club, at the Bandon Opera House, was a decided success both socially and financially.

There were 57 couples in attendance. After a short program and addresses by comrades, Carpenter and ex-mayor Quick of Coquille, the auctioneer proceeded to sell the ladies baskets containing the lunches which created a great deal of interest and amusement.

After the usual disposition of as fine a lot of nicely prepared lunches as Bandon people have for some time enjoyed at a box social, the chairs were removed from the floor and the remainder of the evening was spent in dancing.

Altogether it was a very enjoyable evening and many of the participants expressed the hope that they might have in the near future, another opportunity of spending an evening with the Ladies Socialist Club.

Watch these columns in next issue for future announcements.

Mrs. Cleveland Wed.

Princeton, N. J., Feb. 10.—Mrs. Grover Cleveland and Thomas Joseph Preston, Jr., were married this morning by President John Grier Hibben of Princeton University in Prospect House, the executive residence of the University. No preliminary announcement made and the utmost simplicity was observed in the ceremony.

Official Commercial Club cuts received at the RECORDER office.

NOTICE!

Ordinance No. 225, Entitled "An ordinance regulating the Plumbing, Ventilating and Drainage of buildings, in the City of Bandon, Ore., was passed by the Common Council on the 5th day of Feb. 1913, said ordinance contains an emergency clause and is approved by the Mayor on said date and is of full force and effect at present time, said ordinance deals with the following.

Soil and waste pipes,
House drains,
Terra Cotta sewers,
Separate Sewers,
Surface drains, material and workmanship,

Cesspools and connections,
Ventilation,
Terminal and vent pipes,
Room ventilation,
Fixtures and how trapped,
Water closets,
Water closet tanks,
Said ordinance contains general specifications for all plumbing.

City Engineer made inspector of all plumbing in accordance with said ordinance.

All persons doing plumbing work must have permits issued and granted by the City of Bandon.

E. B. KAUSRUD,
Recorder City of Bandon.

Will Dredge for Gold.

The Ocean Beach Gold Platinum Dredge Co. has landed machinery in Bandon and will mine for gold along the beach. They expect to start in at Whiskey Run and hope to make the proposition pay from the start. Their machine is a massive one and can handle many tons of sand a day, and they will no doubt make the proposition a big one from the start.

The work will be in charge of Mr. Basset, who thoroughly understands the work.

Bandon School Gardens.

The ground for the school gardens at the Bandon public schools is being plowed today and the work of putting in and caring for the gardens by the pupils will continue from this time on.

The work is in charge of Miss Cooper, who has had a thorough course of training and much experience in this line of work, and this beginning of a real and practical education along useful lines will be of great benefit to the boys and girls and help fit them for a more practical life's work than would be realized from the ordinary school training.

SOUTH POLE DISCOVERERS LOST

Party of 66 Frozen to Death in Blizzard is Latest Report.

Oamaura, N. Z., Feb. 10.—Captain Robert F. Scott and his party were overwhelmed by a blizzard on the return journey from the south pole. The entire party perished, they reached the south pole on the 18th of January, 1912.

News of the appalling disaster, which befell Scott and his company was brought by the rescue ship Terra Nova. The steamer went south to bring the Scott party back. The total number of deaths involved in the calamity is not known but it is believed that sixty-six scientists and sailors lost their lives.

Scott's party reached the exact point where Roald Amundsen planted the Norwegian flag. At the south pole they found a hut that was constructed by Amundsen's party. These facts are recorded in documents found on the bodies of the explorers when they were recovered.

Scott's party was overwhelmed on the return trip by the terrific blizzards prevalent in the Antarctic region. The date of Scott's attainment of reaching his goal was almost exactly a month after Amundsen.

The news of the disaster of the Scott expedition came as an utter surprise to London and cast a gloom over the community, which has been unequalled since the death of King Edward. It is believed here that the disaster did not involve all the Scott party of sixty-six, but probably only those selected by him for the final dash to the pole.

The school house at Beaver Hill Junction burned yesterday morning between three and four o'clock, and it is not known how the building caught fire. Only supposition is advanced that somebody slept in the building and left a fire or started one that communicated to the building. The district is now without a school and nearly 40 pupils are thrown out of instruction for the present. It is stated that the building will be replaced at once.—Marshfield Record.

PATRON-TEACHERS MEETING HELD

Interesting Program Carried Out Friday Night—Large Attendance.

The Patron-Teachers meeting at the school house Friday night was well attended and an excellent program was carried out. The meeting was presided over by Supt. H. L. Hopkins and in his usual happy manner introduced the speakers of the evening.

A piano duet by Louise Haberly and Vida Averill was the first number on the program and was greatly enjoyed by all. These young ladies show excellent musical talent.

County Supt. Raymond E. Baker was present and gave an interesting talk on modern methods of education, in which he pointed out the great necessity of educating along specific lines and training the young people for specific purposes in life.

A song by a dozen little girls in the grades was appreciated. This was under the direction of Miss Winifred McNair. Miss Cooper, who has recently been elected as instructor for the school garden work in the Bandon schools was present and outlined the work that was being done and which will be done during the spring. This was a most interesting part of the program.

A piano solo, by Miss Vida Averill was one of the most pleasing numbers of the program, and the hearty encore the young lady received would indicate the high appreciation of the audience.

Smith's Bills Pass Senate.

Salem, Feb. 8.—A blue sky bill applying to real estate dealers, by Smith of Coos, was passed by the senate. It fixes punishment for promoters of schemes who file plats of "city addition" that are located far from town on rocky hillsides or other places such as may deceive the non-resident buyers.

S. B. 180, by Smith of Coos—Relating to terms of court in Coos and Curry counties.

S. B. 191, by Smith of Coos—To prevent fraud in filing plats of additions to cities and towns.

Among the new house bills are the following:

H. B. 526, by Barton—Fixing salaries of Coos county officials.

H. B. 529, by Pierce—Providing for payment of expenses for handling irreducible school fund.

Diversified Service

THIS BANK performs all the functions of a commercial and saving bank. Care of funds on checking or saving account, loans upon good security, discounts, collections everywhere, transmission of funds by draft, telegram or cable—these are a few of the services which it places at the disposal of its patrons.

FIRST NAT'L BANK
Open during Noon Hour and Saturday Evenings.
