"The Stolen Symphony"

This offering by the Lubia Stock Company, with Arthur Johnson as leading man, is one of the best two reel feature films that this concern has placed on the market. The story is clearly told, photography is perfect and the interest never lags. The scene where the thief is discovered playing the symphony to a large and select audience is magnificent. Beautifully attired ladies, gorgeous stage setting make this a picture of entrancing beauty. This feature will be shown at the Grand theatre, Wednesday night, May 7th, instead of Thursday as previously announced. Two other reels of comedy, making a four reel entertainment at no advance in price.

This program is exceptionally good and is worthy of your attendance. Special music.
