OFFICIAL PAPER OF THE CITY OF BANDON

Recorder Philosophy

A wise man will prize wounds made by a friend.

The backslider sometimes slips out of a bad mess.

One whose sleep is sweet is usually a hard worker.

A righteous man in a large city is more or less lonesome.

Knowledge often brings sorrow; but wisdom brings happiness.

There is a rumor out that life and property are not safe in Mexico.

The fire of discord never dies out for want of volunteers to furnish fuel.

"A talebearer revealeth secrets;" and one of them is his mean disposition.

As time elapses your faith in humanity will receive many a hard jolt.

The rich man hath many friends who hopeth to get some of his money.

Unfortunately some reporters are paid to keep the truth out of the papers.

The big reforms accomplished by the conservatives will be after you are dead.

"The way of a fool is right in his own eyes;" but so is the way of a wise man.

"Go from the presence of a foolish man"—and enter the presence of another—foolish man.

Some heroic souls exhibit their bravery by lambasting the man who can do them no harm.

No war lord will ever again be considered the most honorable or useful member of society.

There are occasions when it seems that nothing but a swear word will fully answer the purpose.

A prudent man feareth and departeth from matrimony; but the fool rageth and rusheth into it.

Many "deep" books are vaguely and poorly written and that is the reason you can not understand them.

Bandon is taking another mild building boom. Some good houses are going up and there are others to follow.

While the multimillionaire does not take his money with him when he dies, still he gets the use of it quite a while.

Our sympathies are with the English suffragettes because they are fighting the lords and beneficiaries of special privilege.

Abraham Lincoln criticized the decision of the Supreme Court in the Dred Scott Case; and yet Lincoln was a great and good man.

It is reported that there is one doctor in Bandon who does not have books to find out what is the matter with his patients; he has fits.

J. P. Morgan expressed in his will his faith in Christ notwithstanding Christ said a rich man could hardly enter into the Kingdom of Heaven.

Your opponent doesn't even hear your argument. He is in a dream thinking up something to say as soon as he can get a word in edgewise.

Yes, there is considerable wind in Bandon; but it is not hot air; it is the real thing, cool and refreshing, right off of the rolling waves of the mighty Pacific.

The state or church dignitary who has power to confer titles or similar honors upon individuals holds power to enslave his fellows, and such dignity is another common enemy of mankind.

Professor Taft's first lecture at Yale, where he is now employed, exhibited large and numerous sore

spots on the ex-president's anatomy. He attacked Roosevelt, the referendum, the recall and other progressive principles, including woman's suffrage. If Taft should preach such partisan and reactionary dope in the Bandon High School he could not hold his job.

The RECORDER has received the following question from "Goldie:" "What should a lady do when her escort, to whom she is not engaged, insists upon kissing her good night?" We think such an escort should be punished; either swat him on the jaw or marry him at once.

A representative of the North German Lloyd line of ships says his people are now selling thousands of tickets on the installment plan to immigrants who will come to the Pacific coast as soon as ships can get through the Panama Canal. Bandon and Coos county will get some of these home seekers and we are on the line of a new railroad or two and also because this section is new and needs development.

Read the following and see if you can tell its author or where it was first written: "We declare that all men, when they form a social compact, are equal in rights; that all power is inherent in the people, and all free governments are founded on their authority, and instituted for their peace, safety and happiness; and they have at all times a right to alter, reform, or abolish the government in such manner as they may think proper." Sounds a little revolutionary doesn't it? Well, that is the first section of the constitution of the state of Oregon. That section breathes the spirit of real freedom and it is up to you to help put it in to more general practice and to extend it as time goes by.
