Congress will likely refuse to pay our grocery bill.

A school meeting in Bandon always brings out a crowd.

A great many heroes are manufactured by servile followers.

Bandon has a base ball team if anybody happens to ask you.

A girl captures a man and marries him; and then he captures her.

The silent letters in words doesn't seem to decrease the sound much.

We have a theory that no woman wants a man to get down on his knees to propose.

We hereby proudly advertise our coarse and unartistic taste by publicly declaring that we like ragtime.

No matter how much the school house costs every young boy entertains the hope that it will burn down.

The Bandon cow is so unruly over the recent election that she is invoking the re-call on the gardens.

The suffragette who runs an auto instead of the sewing machine does not help out much on the high cost of living.

Educators are predicting that 150 years from now neither grown people nor children will have any hair. That worries us a great deal.

Mrs. Trowbridge objected to the manner of voting at the school election because, she said it was too much like ring around Rosey.

There are 68,000,000 square miles in the Pacific ocean and its

average depth is 12,780 feet. It is about twice as large as the Atlantic and 720 feet deeper on the average.

M. Breuer takes defeat for school director gracefully. He says a lady used to spank him when he was a boy and as his defeat was by a lady it is all right. But he says he will not lay down for the men.

We have often heard of a wandering Jew who claims to have lived since the time of Christ. History records that he has appeared a number of times and caused great excitement. Some people are dippy enough to believe it.

One of the newest fads in the East is wearing the dress skirt split nearly to the knee with no petticoats and sometimes without stockings. This is shocking. We hope no such style will be introduced in Bandon. If it is—well, we would just like to see them do it.

M. G. Pohl the Bandon optometrist has been elected to membership of the Oregon State Association of optometrists. This is a distinction of which Mr. Pohl may well feel proud and is an indication that his ability in the profession is recognized.

For rheumatism you will find nothing better than Chamberlain's Liniment. Try it and see how quickly it gives relief. For sale by C. V. Lowe.

New orders of bicycle repairs of all kinds constantly arriving. Will take orders for bicycles of any kind. S. D. BARROWS.
