Boy Scouts' Camp.

It is the plan of the Boy Scouts of Bandon to start next Monday morning on their cross country hike to Roseburg. The troop will leave Bandon on the Dispatch, and will walk from Coquille to Myrtle Point. At Myrtle Point Monday evening a rally of the Boy Scouts will be held in the interests of the Myrtle Point Scouts. At this meeting Scout Commissioner Steele and Scout Master Hartrant of Bandon, will make addresses.

The troop will leave Bandon fully equipped for their long hike. They will wear the scout uniforms and each scout will carry his own camp outfit. Camp will be made on the Umpqua near Roseburg.

Strict discipline will be maintained both en route and in camp though sufficient opportunity will be afforded the scouts to have a jolly time.

They will come back much enriched by their two weeks' outing.

The RECORDER wishes them bon voyage.

The Cowboy Millionaire.

Grand theatre Saturday August 2. Of the many wild west pictures produced by the Selig Company, The Cowboy Millionaire beats them all. In this fine feature we have all the hair raising and dare devil stunts that the best cowpunchers in the west can exhibit, such as bronco basting, bull dogging wild steers, roping, branding wild horses and many other clever and exciting stunts. Aside from this the picture gives us the interesting story of a cowboy, Bud Wilson, who falls heir to a million dollars. "Bud" goes to Chicago to enjoy himself and spend some of that million plunks. Finally getting tired of society life in the windy city, Bud gets a brilliant idea to bring his entire cow outfit from Wyoming to Chicago and give the boys the time of their lives. How well Bud succeeds in accomplishing this is best told in the films. There are two big reels of it and if you don't say it's the best you ever saw, you get your money back. At the Grand Saturday, August 2.

"They have the Taste," Johnston's chocolates.

Coming Saturday the Pendleton Round-up in four reels, Orpheum.

Robert F. Fox and family of Marshfield drove over in their auto Sunday to visit the home of his parents, Mr. and Mrs. Fox of this city.

Bandon is again in the lead in the Coos county league, with a good safe margin and she is going to stay there to the end of the season. Watch our smoke. A double header next Sunday and we are going to win both of them.

Editor Edgar McDaniels and family who have toured California in an automobile, reached their home in North Bend last night at 12 o'clock, having come from San Diego in seven days, along the coast route. Mr. McDaniels brought his automobile home a little the worse for wear, and arrived with one tire missing. Mr. and Mrs. McDaniels were quarantined for a time at National City, when one of the children contracted measles. —Marshfield Record.

William Hutcheson reached here yesterday on the steamer Alliance from Eureka. He will remain a fortnight visiting relatives and renewing old acquaintances. Humboldt county is this year supporting four pretty fast baseball teams, and William says the fans of that section would be more than pleased to see an all-star nine from this bush league invade their territory for a series of games with a picked team from the California aggregation. As the seasons in both leagues close about the same time the games could be conveniently arranged and he advises that the Coos county captains get in communication at once with the Eureka managers to that end. —Coos Bay Sun.
