## RAILROAD IN 15 MONTHS

Completion of the Willamette-Pacific railroad from Eugene to Coos Bay in 15 months is predicted by Assistant Engineers Hoey and Fontaine, who were in Scottsburg a five days' inspection trip over the line. Operations over the lines are to be increased, and probably 2500 men will be kept busy all winter. The company is urging the contractors to make every effort to complete the line by the last of next summer. At present 2000 men are employed.

"We are doing everything to hurry the contractors," said Mr. Hoey. "Work has been begun on the big tunnel at Gardiner. This tunnel is 4100 feet long. We have been promised its completion in 15 months, and by that time all of the grade should be completed to the tunnel from either side.

### Oregon News.

Portland, Ore. Aug. 12 (Special)—Buyer's Week in Portland, Sept. 1 to 6, will be the occasion for entertaining merchants from all parts of the Pacific Northwest. An elaborate program has been arranged, providing for daily opportunities for merchants to meet each other as well as their Portland hosts. The jobbers and manufacturers of Portland are behind the movement. Special entertainment is to be provided for the members of families of the visiting merchants.

Reduced railroad rates for the week will go into effect on August 28 and will be good, going, until Sept. 3. Return tickets will be honored until Tuesday, Sept. 9.

That the number "13" does not always stand for bad luck is indicated by a recent statement from the Northwest Fruit Exchange that an order for thirteen carloads of Oregon Jonathans has just been received from dealers in Johannesburg, South Africa, at a price almost three times that of the average received last year. This order completes a chain linking Europe, Asia, Africa and South America with the apple districts of the Pacific Northwest. The Exchange has also received an order for seven carloads,—three Jonathan and four Rome Beauty—to go to South America.

Oregon lumber is also enjoying a season of great popularity in foreign countries, judging from the

present brisk demand. In one day the past week five vessels were chartered to carry Oregon fir from the Columbia River, three to Australia, one to New Zealand and one to England.

"Six bottles of Electric Bitters" he writes, "did more to give me new strength and good appetite than all other stomach remedies I used." So they help everybody. I have taken three bottles of Chamberlain's Tablets and am now a well woman and weigh 168 pounds.
